A Wartime Recipe For Gray Hair

Gray, streaked or faded hair can be immediately made black, brown or light brown, whichever shade you desire, by the use of the following remedy that you can make at home:

Merely get a small box of Orlex powder at any drug store. It costs very little and no extra to buy. Dissolve it in water and comb it through the hair. Full directions for mixing and use come in each box.

You need not hesitate to use Orlex, as a \$100.00 bottle of hair oil, each box guaranteeing the user that Orlex powder does not contain silver, lead, zinc, sulphur, mercury, and other coal-tar products or their derivatives.

It does not rub off, is not sticky or gummy and leaves the hair fluffy. It will make a gray haired person look twenty years younger.

RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenburd's sure cure for rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenburd has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Allenburd relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days. G. A. Gorgas can supply you.

Colored Soldier Tells of Work on the Front The Harrisburg Telegraph has received the following letter from William B. Luckett, first class private, of Headquarters Company, 351st Field Artillery, now serving in France. Many of Harrisburg's colored soldiers are serving in this unit. The letter follows:

"The 351st Heavy Field Artillery, colored, of the United States Army, better known by the restless Huns as the 'Fearless Devils,' is making a great name for itself on the Western Front in the Allies' last drive against those ruthless Huns who are now retreating before our victorious Allies. There are clean, brave men, fearing nothing, daring everything. They are very strong and stout hearted. The regiment is made of mostly High School and College young men.

Dauphin county is well represented in the ranks of the regiment, and by those restless Huns, who are nearing the Rhine for safety, but they shall never be safe until our Allies will have surrounded them and by the grace of God, we hope to conquer them soon. All of the boys from Dauphin are well and send heartiest wishes."

Mothers! Read the Signs! If you will learn to give Cascarets, the candy cathartic, to your children, instead of castor oil, calomel and pills, you will save money, and avoid lots of worry, coaxing and sickness. Truly!

When one of the kiddies has a white tongue, a tainted breath, sour stomach or a cold; when bilious, constipated, feverish, remember, a sweet candy Cascaret to quickly "work" away the nasty bile, sour fermentations and poisons should always be the first treatment given.

Children really love to take candy Cascarets and they never gripe the tender bowels, never injure, and never disappoint the worried mother. Give Cascarets to children one year old and upwards. Each 10 cent box contains full directions for children and adults.
