Is Your Blood Starving for Want of Iron?

Modern Methods of Cooking and Living Have Made an Alarming Increase in Iron Deficiency in Blood of American Men and Women

WHY NUXATED IRON SO QUICKLY BUILDS UP WEAK, NERVOUS, RUN-DOWN FOLKS—Over 3,000,000 People Annually Taking It in This Country Alone To Increase Their Strength, Power, Energy and Endurance.

Who Should Take Nuxated Iron THE ELDERLY INACTIVE MAN

"Is your blood starving for want of iron? Iron is red blood food. If you were to go without eating until you became weak, thin and emaciated, you would not be able to do your work."

THE THIRDED HOUSE WIFE "Scarcely a day goes by that I don't see some women who are care-worn, dragging steps and generally weak."

THE RUN-DOWN BUSINESS WOMAN "There can be no strong, healthy, energetic man without iron and inasmuch as the refining process and modern methods of living rob the iron from Mother Earth from so many of our people, it is not surprising that the blood of many of our people is iron deficient."

THE EXHAUSTED BUSINESS MAN "I have used Nuxated Iron widely in my own practice in most severe cases of iron deficiency and with unfailing results. I have induced many men to try it."

Dr. Sullivan and others with such surprising results which is prescribed and recommended above by physicians, is not a secret remedy but one which is well known to druggists everywhere. Unlike the old, inorganic iron products, it is easily assimilated, does not injure the stomach, and is guaranteed to give you the strength and energy you need.
