

### LODGE REPELS FURTHER TALK WITH GERMANY

Nothing but Absolute Deser-tion of Autocracy Will Suff-ice, Says the Senator

Washington, Oct. 23.—Senator Lodge, of Massachusetts, Republican leader, in statement yesterday brand

### Sore Throat Wisdom

To relieve Sore Throat you must get at the seat of the disease, removing the cause. TONSILINE is prepared and sold for that purpose. A dose of TONSILINE taken upon the first appearance of Sore Throat may save long days of sickness. Use a little Sore Throat wisdom and buy a bottle of TONSILINE today. You may need it tomorrow. TONSILINE is the National Sore Throat Remedy—best known and most effective and most used. Look for the long necked fellow on the bottle when you go to the drug store to get it. 25c., 50c. Hospital Size, \$1.00.

ed Germany's latest not as "a clumsy trap, awkwardly set, to involve us in diplomatic discussions," and said if it is answered at all, it should be with demands only for unconditional surrender. "It seems to me unbelievable," said Senator Lodge, "that anyone should be taken in by the last German note. It is varnished over with a little false flattery, directed to the President and the people of the United States, which can deceive no one. "They desire to discuss details. What they call details are the vital issue of the war. No attention need be given to their denial of illegal and inhumane actions. "Of reparation—and it must be very large—there is not a word. "Of course all they say about changing their government is pure camouflage. There has been no election in Germany. It is the same old Reichstag, governed by the same forces and interests. They are merely frightened and trying to deceive the American people—trying to gain by negotiation what they have lost in the field. I do not think there should be any reply to this German note. "There is something repulsive in having the invaders of Belgium and the makers of the villainous peace which they forced on Russia and Rumania, talking about justice and honor."

### ANDREWS CASE OVER FOR WAR

Public Service Commission Declines to Take Action Because of Government

The Public Service Commission in a ruling today that it had dismissed the complaint of H. G. Andrews, of this city, against the charges made by the Bell Telephone Co. for installation and moving of tele-phones, says that the question "may well await the termination of the war and the return of pre-war conditions. The complaint is dismissed with leave to renew at a later period."

In the decision the commission makes this significant declaration: "Since the complaint was filed an act of Congress has been passed, as a war measure, under which the operation of the respondent company is now in the control of the federal authorities. The Postmaster General by general order No. 1931, amended by Bulletin No. 3, prescribed rates for such service largely in excess of those complained against, and which if permitted to stand would make a decision in the present case largely academic."

**Fish To Go Out**—Distribution of young fish from the state's hatcheries will be resumed this week after having been interrupted for almost two weeks because of influenza which prostrated many of the men connected with the State Department of Fisheries. The hatcheries have a large number of fish which it is hoped to send out before ice closes the streams. This week thousands of young trout will be sent out together with "bluegills" and catfish.

**To Resume Work**—Hearings will probably be resumed by the Public Service Commission within the next ten days. Some tentative dates have been fixed for next week and the hearings will be held if the influenza closing order is lifted.

**To Buy Deer**—Arrangements are being made by the State Game Commission to liberate a number of deer in State Game Preserves after the closing of the deer hunting season in December. The deer are being brought in northern states and will be brought here in charge of wardens. They will be placed in the preserves in the Blue Ridge and in the new preserve in Forest county. Negotiations for wild turkeys are also under way.

**More Cabbage**—Although there has been a big increase in the cabbage crop and the heads being out now in the southern and eastern Pennsylvania counties are fine and large, advices coming to the Capitol are that not much will be converted into sauerkraut owing to labor and other conditions. Some of the eastern Pennsylvania, known for generations as the "sauerkraut belt" were short of the delicacy last year for the first time.

**Woodward Greeted**—Representative James F. Woodward, candidate for secretary of internal affairs, who was at the Capitol yesterday, was greeted by many friends in the departments.

**Mr. Riddle Ill**—S. S. Riddle, of the Department of Labor and Industry, has been ill at his home in Bloomsburg.

**Going to Camp**—Berne H. Evans, counsel of the Public Service Commission, leaves this week for the artillery officers' train camp at Louisville.

**Coal Cut Down**—Coal production in Lackawanna and Luzerne counties is declared by fuel administrators to have been very heavily cut by influenza. The situation is said to have been very serious at some mines, which had only thirty per cent. of their forces at work.

**Colonel Miner Wounded**—Colonel Asher Miner, commander of the One Hundred Ninth Artillery, formerly the Ninth Pennsylvania, and a former legislator, has been wounded in France.

**Mrs. Carothers Dead**—Word was received here to-day of the death at Washington of Mrs. Charles E. Carothers, wife of the deputy secretary of agriculture. Mrs. Carothers had been ill for some time. She was fifty years of age.

**Open Again**—The offices of the State Compensation Board, which have been closed for ten days because of at least a score of the attaches having influenza, were reopened to-day. Other offices had more people at work to-day than for a week, victims of the epidemic coming back again.

**Now 116**—There are now 116 attaches of the State Highway Department in the Army or Navy. The new star will be put on the service flag by Chief Clerk H. W. Fry with appropriate ceremonies.

**To Be Used Again**—Tents and cots used in the emergency hospitals established by Adjutant General Beary will be disinfected and sent to other places where needed to combat the epidemic. When the disease ends they will be thoroughly treated and stored here again.

### Methodist War Board

**Demands Hun Surrender**  
New York, Oct. 23.—President Wilson was urged to accept only peace based upon unconditional surrender in a resolution adopted at a meeting yesterday of the National War Council of the Methodist Episcopal Church.

Bishop W. F. Anderson, who is to return to France soon as the council's representative, announced that he had bought a farm at Grenoble, in France, for \$60,000 and had it converted into an orphanage for French children.

**MRS. EVE HENDRICKS DIES**  
New Cumberland, Pa., Oct. 22.—Word was received here yesterday of the death of Mrs. Eve Hendricks at Sparrows Point, Md. She was ill for several weeks with Spanish influenza. Her husband and three small daughters survive. The body will be brought to New Cumberland for burial at Mount Olivet cemetery. Mrs. Catherine Cook, of Water street, is the grandmother of Mrs. Hendricks.

**MIRANDA MILLER**  
Hummelstown, Pa., Oct. 23.—Miranda Miller, aged 9 years, daughter of Mr. and Mrs. John Miller, died Monday evening at the Steilton hospital from pneumonia. Funeral will be held on Thursday afternoon at 2 o'clock from Karmay & Sons, undertaking establishment. Burial in the Hummelstown Cemetery.

**BURIAL OF MRS. STOUT**  
Mechanicsburg, Pa., Oct. 23.—Funeral services for Mrs. Charles Stout will be held on Friday afternoon, at 2 o'clock, the Rev. E. C. B. Castle, pastor of the First United Brethren Church, officiating. Burial will be made in Chestnut Hill Cemetery.

### HOW WEAK, NERVOUS WOMEN QUICKLY GAIN VIGOROUS HEALTH AND STRONG NERVES 7 A DAY FOR 7 DAYS

A Vigorous, Healthy Body, Sparkling Eyes and Health-Colored Cheeks Come in Two Weeks, Says Discoverer of Bio-feren.

World's Grandest Health Builder Costs Nothing Unless It Gives to Women the Buoyant Health They Long For.

It is safe to say that right here in this big city are tens of thousands of weak, nervous, run-down, depressed women who in two weeks' time could make themselves so healthy, so attractive and so keenly admired that they would compel the admiration of all their friends.

The vital health building elements that these despondent women lack are all plentifully supplied in Bio-feren.

If you are ambitious, crave success in life, want to have a healthy, vigorous body, clear skin and eyes that show no dullness, make up your mind to get a package of Bio-feren right away.

It costs but little and you can get an original package at any druggist anywhere.

Take two tablets after each meal and one at bedtime—seven a day for seven days—then one after meals till all are gone. Then if you don't feel twice as good, look twice as attractive and feel twice as strong as before, you started your money is waiting for you. It belongs to you, for the discoverer of Bio-feren doesn't want one penny of it unless it fulfills all claims.

Note to Physicians: There is no secret about the formula of Bio-feren, it is printed on every package. Here it is: Lecithin; Calcium Glycero-phosphate; Iron Peptonate; Manganese Peptonate; Ext. Nux Vomica; Powd. Bentian; Phenolphthalein; Oleoresin Capsicum; Kolo.
