World's Grandest Health Build-

THE GLOBE

World's Grandest Health Build-er Costs Nothing Unless It Gives to Women the Buoyant Health They Long For. It is safe to say that right here in this big city are tens of thousands of weak, nervous, run-down, de-pressed women who in two weeks time could make themselves so healthy, so attractive and so keen-minded that they would compet the Note to Physicians. There is no

minded that they would compel the admiration of all their friends. The vital health building elements that these despondent women lack are all plentifully supplied in Bio-feren.

Note to Physicians: There is no secret about the formula of Bio-feren, it is printed on every package. Here it is: Lecithin: Calcium Glycero-phosphate; Iron Peptonate: Mang-anese Peptonate: Ext. Nux Vomica; Powd. Bentian: Phenolphthalein; Olearesin Capsicum; Kolo.

State's Co-operation With National Government Obtaining the Results Now

vember 11. No dates for hearings in advance of that time will be fixed until the commission hears from Commissioner of Health B. F. Royer. Many Vacancies.—Fifty-eight va-cancies exist on the State Police force, the largest rimber since the four troops were organized. This is very largely due to men entering military service when terms of en-listment expire and to the fact that the class of men from whom the police have been recruited are now in the army. Some of the recent of age, but they are physically fit. The state has lately commissioned a large number of members of the volunteer police for the period of the war, these men being subject. Boards Hard Hit—Local draft boards in western and northwestern Pennsylvania have been seriously affected by influenza, their exper-iences being, if anything, more severe than those of boards in the eastern part of the state accord-ing to reports reaching here. Prac-tically all of the medical members of boards have had to abandon their draft work to care for the sick and physical examinations have been interrupted. In spite of this, the classification of September 12 registrants has made good progress. Moving Hospitals—Several of the emergency hospitals established by the state government have been moved to the western part of the
