

ARMISTICE PLANS SHAPING IN CASE HUNS CRY ENOUGH

Details May Be Made Known to World in a Short Time

Washington, Oct. 25.—Although formulation of terms in answer to the request of the German government for an armistice and peace is regarded as a task difficult because of its importance, the general opinion here is that little delay may be expected. That the Supreme War Council already has considered the problem is known. Exchange of opinion between Washington and the allied capitals has developed a common understanding upon which the armistice terms may be based.

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! See if tongue is coated, breath hot or stomach sour.

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping. When cross, irritable, feverish, or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless fruit laxative, and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When the little system is full of cold, throat sore, has stomachache, diarrhoea, indigestion, colic—remember, a good "inside cleanser" should always be the first treatment given. Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful to-day saves a sick child to-morrow. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeiters sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

It was considered not unlikely today that serious consideration of the form of the armistice to be offered Germany already is in progress. For that reason the details may be made known to Germany and the world within a comparatively short time.

Plans May Delay by Refusal That Germany might block the preparation of armistice plans by a note refusing to accept the terms outlined by President Wilson is his reply has not been disregarded. In some quarters the belief was reiterated today that Germany has not as yet reached the point in the decline of military strength where she would accept an armistice looking toward peace at any price. Increasing pressure by the German people to end the war before another winter sets in was considered by others as daily making it more difficult for the government to do other than allow the terms of an armistice to be laid down at least.

Details of an armistice can be arranged prior to the reaching of a complete agreement on terms of peace, it was pointed out and such details may be announced while the basis of peace is being worked out.

The part which the United States will take in arranging the armistice details can be handled by representatives of the army and naval establishments now in Europe. Should political questions be involved, representatives of the President will be available to meet with the Entente premiers.

Wilson Reply Satisfies Allies

Comment of London and Paris newspapers, reflecting the attitude of the peoples of England and France and in many cases that of officials, on the reply of President Wilson was considered satisfactory by officials.

Susquehanna Water Plan Is Rejected

The Public Service Commission today refused a certificate approving the reorganization of the Susquehanna Water Company of this city as the Susquehanna Township Water Company on the ground that "the proposed capitalization is unwarranted and excessive." This is the first time such action has been taken. The reorganization agreement is stated to provide that the capitalization of the new corporation shall be \$100,000 par value common stock, of which amount \$88,100 is to be considered and treated as the bonds of the old company. The city of New Castle today filed a complaint with the Public Service Commission calling upon the water company in that city to extend water mains.

JOHN F. DAPP IS SCHOOL DIRECTOR

Trustee of Gettysburg College Is Chosen to Fill Dr. Yates' Place

John F. Dapp, appointed yesterday by President Judge Kuskel as school director to fill out the unexpired term of Dr. W. M. Yates, resigned, is regarded as one of the best qualified men in the city for the place. He is president of the Board of Trustees

GIRLS! BEAUTIFY YOUR HAIR AND STOP DANDRUFF

Hair becomes charming, wavy, lustrous and thick in few moments

Every bit of dandruff disappears and hair stops coming out

For a few cents you can save your hair. In less than ten minutes you can double its beauty. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and charming as a young girl's after applying some Dandergine. Also try this—moisten a cloth with a little Dandergine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Dandergine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a small bottle of Knowlton's Dandergine from any drug store or toilet counter and just try it.

Oranges Go Down When Board Threatens Probe

A drop in the price of oranges to dealers of approximately \$1.00 a box yesterday, is reported by dealers here as a result of the announcement by the Federal Food Board that an investigation to determine the cause of the sudden rise in the price of oranges during the influenza epidemic will be conducted. Oranges increased in price within a few days from approximately ten to sixteen dollars a crate, local dealers say. A gradual drop in price is predicted by local dealers, who see in the sudden drop of \$1.00 during the last few days, signs of a break in the orange market.

of Gettysburg College and deeply interested in education. Mr. Dapp is well known in financial circles in the city, having been for the past eight years vice-president of the Merchants' National Bank and Central Trust Company, and is one of Harrisburg's most prominent insurance men. His son, with whom he was in the insurance business, is now in the service. He has been for many years identified with progressive civic movements. In politics he is a Republican. He is a member of the War Savings Stamp Campaign Committee in Harrisburg and has done much to make it successful. The school director is one of the most active spirits in the affairs of Gettysburg College and has been largely instrumental in bringing it to the front in many ways. He is being heartily congratulated by his friends upon the appointment, which was entirely unlooked for and is generally regarded in its way as being on a par with Judge Kuskel's selection of J. William Bowman for mayor.

3 DEATHS AT MILLERSBURG

Millersburg, Pa., Oct. 25.—Walton Hoy, a young man of Church street, died Tuesday after a short illness of influenza at the Emergency Hospital. Pauline Harner, aged three years, daughter of Mr. and Mrs. Charles Harner, living along the Lykens Valley Railroad, east of the roundhouse, died on Wednesday after a short illness of pneumonia. Homer Walborn died in the Emergency Hospital on Wednesday night after a short illness of influenza.

After the Grippe

To regain your health and strength again you must take a tonic and for this purpose the Medical Profession is prescribing Iron, Nux Vomica, Gentian, Capsicum and Zinc Phosphate in some form. Many preparations containing Iron are very constipating, but this is overcome by the addition of Aloin in Chase's Blood and Nerve Tablets, which contain all of the above tonic remedies. In these Tablets you have all that is good in tonic medicines without any harmful effects. They are safe and sure health builders and at this particular time it would be hard to over-estimate their value. Weigh yourself before taking them and see what you gain in weight and strength. Nearly all druggists sell Chase's Blood and Nerve Tablets at sixty cents a box. Special ninety cents.

WILSON'S REPLY PUTS WAR'S END UP TO THE ARMY

France Doubts Sincerity of German Aims; Will Take No Chances

Paris, Oct. 25.—The official comment to The Associated Press on President Wilson's reply to Germany can be summarized as follows: "President's Wilson's latest answer resolves the whole thing into a military question which can be decided by Foch, Haig and Pershing. 'The situation, however, is virtu-

CUT THIS OUT

OLD ENGLISH RECIPE FOR CATARRH, CATARRH, DEAFNESS AND HEAD NOISES

If you know of some one who is troubled with Catarrhal deafness, head noises or ordinary catarrh cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. In England scientists for a long time past have recognized that catarrh is a constitutional disease and necessarily requires constitutional treatment. Sprays, inhalers and nose douches are liable to irritate the delicate air passages and force the disease into the middle ear which frequently means total deafness, or else the disease may be driven down the air passages towards the lungs which is equally as dangerous. The following formula which is used extensively in the damp English climate is a constitutional treatment and should prove especially efficacious to sufferers here who live under more favorable climate conditions. Secure from your druggist 1 ounce of Permanganate of Potassium, 1 ounce of Glycerin, 1 ounce of Water, 1 ounce of Alcohol. Mix and add to it 1 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. This will often bring relief from distressing head noises. If the nostrils should open, breathing become easy and hearing improve as the inflammation in the eustachian tubes is reduced. Permanganate used in this way acts directly upon the blood and mucous surfaces of the system and has a tonic action that helps to obtain the desired results. The preparation is easy to make, costs little and is pleasant to take. Every person who has catarrh or head noises or is hard of hearing should give this treatment a trial.

ally unchanged, though the exchange of notes has given an insight into affairs in Germany and has perhaps hastened her internal reforms. The next answer will have to be a military answer from her military authorities. 'The French people feel that the question of the internal government of Germany is not so important as an assurance against a recurrence of

Germany's m-ocratic policies which precipitated the war. 'We do not know how sincere Germany is about her international reforms. We have reason to doubt the sincerity of her aims in this direction. The great thing for us is to make sure that things shall not again be in the same position as before the war. 'An armistice is almost impos-

sible, as the conditions would be so unimaginably drastic. An armistice would be full of danger if not guarded by all sorts of conditions. 'The feeling prevails in general among French officials that the latest note from the President of the United States is just what the Allies have been wanting to force upon the enemy.
