S NEWS AND NOTES OF THE BOY SCOUTS

FINE RECORD IS MADE BY SCOUTS

Sale of Bonds Wins Many Medals For Khaki-Clad Hustlers

"Gleaners after the reapers". that was the job assigned to the Boy Scouts in the loan campaign. And they measured up to the difficult task with remarkable zeal and energy-\$91,450 in 1,355 separate subscriptions. As one Scout said, "That's going some." That makes the average subscription about \$67. It shows that there were very few big subscriptions secured that would

swell the total amount. Seventy-one Scouts are the proud winners of the Treasury Department medal for the sale of ten or more bonds. That is three times the number of winners in the Third Loan, and it represents at least ten times work, for the conditions were more difficult.

Troop 13 leads the city in the number of subscriptions with 222, and Troop 11 is second with 218. But Troop 11 leads in the amount-\$18,050, while Troop 13 comes next

\$18,050, while Troop 13 comes next with \$13,100. Thus these friendly rivals both win in this respect. However, Troop 11 has 14 medal winners, against 13 for Troop 13.

Only five troops failed to sell some bonds, but still we can report one hundred per cent. participation, for every troop responded by trying to sell bonds, or taking some assignment of work, or helping in the publicity parades. That is a good record and one that the Scouts of Harrisburg can well be proud of. The medal winners are as follows:

Troop 1—Paul A. Kunkel, Jr.,

Scouts of City Help at Emergency Hospital

The whole city is proud of the Emergency Hospital, opened by Health Officer Raunick at the new school at Fifth and Seneca streets. Scouts feel proud of having the privilege of assisting in the preparation of the building. A squad of Scouts worked for two days clearing out the desks and tables, setting up and making beds, and helping in the thousand and one things that were necessary. Dr. Raunick has voiced his thanks many times.

"My system was suffering from a general breakdown due to impoverished blood," says Frank Brenner, well-known iron worker for thirty-two years, living at 125 North Shippen street, Lancaster, Pa.

"I broke out with eczema. I could not stop it. It set me nearly crazy. I would scratch myself so badly at night until I was raw.

"I heard so much about Tonall that I went to Locher's Drug Store and began taking Tonall. Now all my blood rushes are gone. I am free of all feeling of itchiness and my whole system is built up.

"I certainly do recommend Tonall as it helped me."

This statement was given Sept. 23, 1918.

Tonall is sold at Gorgas' Drug Store, Harrisburg; at Hershey's, at Hershey, and Martz' Drug Store.

With the co-operation of your executive officers a plan has been developed whereby each of you may have a definite part in this important piece of service. These plans will doubtless be explained in detail by your Chief Scout Executive. An effort has been made to make it possible for every scout and scout official to participate in this war activity, so that as in other campaigns your troop records will show one hundred per cent. participation.

When the troop was organized he was made senior patrol leader of the troop which position he held at his death. He was an energetic and enthusiastic Scout. By his untiring efforts he became first class Scout in the troop.
