

NEW ESCHEAT ACT IS LIKELY

Will Probably Be Drawn Up in a Short Time For Consideration of Lawmakers

Prospects are that the general assembly of 1919 which will convene in Harrisburg in a little more than sixty days will be called upon to discuss considerable changes in the laws governing the escheating of unclaimed bank deposits and other valuable property to the Commonwealth. Tests of the acts of 1913 and 1917 which amended the earlier laws are now pending and appeals will be taken to the supreme court on behalf of Pittsburgh and Philadelphia banks. The intention is to have these appeals argued at the January sitting of the supreme court and the preliminary steps are under way. The Auditor General will require banks to make statements as well as trustees and others so that proper advertisements can be arranged.

The chief complaint about the laws now on the books is that they are, in the language of a state fiscal official, "too cumbersome" and have too an elaborate system. It is proposed to draft bills which will simplify procedure and safeguard depositaries, owners and the Commonwealth. It is believed that the new bills will bring a million dollars into the State Treasury in a year and half the time they go into operation, provided they are enacted.

TO ALL WOMEN WHO ARE ILL

This Woman Recommends Lydia E. Pinkham's Vegetable Compound—Her Personal Experience.

McLean, Neb.—"I want to recommend Lydia E. Pinkham's Vegetable Compound to all women who suffer from any functional disturbance, as it has done me more good than all the doctor's medicine. Since taking it I have a fine healthy baby girl and have gained in health and strength. My husband and I both praise your medicine to all suffering women."

—Mrs. John Koppelman, R. No. 1, McLean, Nebraska. This famous root and herb remedy Lydia E. Pinkham's Vegetable Compound, has been restoring women of America to health for more than forty years and it will well pay any woman who suffers from displacements, inflammation, ulceration, irregularities, backache, headaches, nervousness or "the blues" to give this successful remedy a trial. For special suggestions in regard to your ailment write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.—Adv.

For Skin Soreness of infants and children you can find nothing that heals like Sykes Comfort Powder. Leading physicians and nurses have used and endorsed it for more than 25 years. 25¢ at the drug and other drug stores. The Comfort Powder Co., Boston, Mass.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old time recipe improved by the addition of other ingredients for about 50¢. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

O'NEIL CERTAIN SPROUL WILL GET BIG MAJORITY

Is Hopeful That \$50,000,000 Road Bond Issue Will Be Approved

Pittsburgh, Oct. 28.—Highway Commissioner J. Denny O'Neil, during a visit to Republican headquarters, expressed the opinion that there is no question about the election of Senator William C. Sproul and the whole Republican ticket. He bases this on the sentiment he has gathered in the last four months traveling through Pennsylvania. In that time he has covered 12,000 miles of roads and some in close contact with the people. Two weeks ago Mr. O'Neil said that he encountered considerable sentiment for Municipal Court Judge E. C. Bonniwell, the Democratic nominee for Governor. Since then the Republican organizations of the various counties have started to work and the Bonniwell sentiment is disappearing. Mr. O'Neil was the opponent of Senator Sproul for the Republican gubernatorial nomination. With the close of the primary campaign he turned in for the winner and has since been doing everything he could for the ticket. The men who fought with Mr. O'Neil in the primaries are now working for Mr. Sproul. While the vote will be far below normal this year, Mr. O'Neil says he is convinced that Senator Sproul will emerge with a large majority of the votes.

Hopeful For the Bond Issue. Commissioner O'Neil is hopeful that the electors will approve the \$50,000,000 bond issue for the improvement of the highways. Since Mr. Sproul has announced, said Mr. O'Neil, that the governor he would not allow the expenditure of the money until conditions become normal, there is no reason why this amendment to the constitution providing for the loan should not be approved. We cannot foretell just what conditions will arise after the war and it may be very advantageous to have this amount of money to spend in highway improvement and thus afford work for unemployed labor.

President Damages Brodbeck Chances

According to York people, the President's letter has hurt Congressman Brodbeck's chances for reelection in the York-Adams district, and Republicans in York are going to make this week count. The situation is a good bit like the Northumberland-Columbia district, and Democratic confidence has been given a severe jolt almost overnight. In the "Shoestring" district the President has added lots to the majority always sure for B. F. Foch's re-election. York county Democrats have been saving their troubles over the Congressional question, for they are remarkably divided. Many of them believe that A. B. Brodbeck is re-elected to Congress it will mean the appointment of his present secretary, Clarence A. Geecy, as postmaster of York. While they do not deny that Geecy is a hard worker and hard for Brodbeck, yet Edward C. Peeling, the powerful Democratic leader, is postmaster just now and any effort to supplant him will, of course, mean the loss of the Peeling support. Aside from these features, there is little interest manifested in politics among the Democrats and there are many Republicans who see victory sure now.

Red Cross Canteen Aids Soldiers Passing City

The canteen committee of the local Red Cross has certainly put Harrisburg on the map for the hungry dough boys who have passed through this city, most of them for the first time, on their way to the point of embarkation for France. It goes without saying that they have hoped their stopping places en route would be a succession of Harrisburgs so royal as to have "congress" and "water" been here. The women working under the direction of Mrs. Francis J. Hall and Mrs. Walter H. Gaither, who, with a corps of ladies, dispense hot food, chocolate, tobacco, newspapers and magazines to the men, have transiently cared for 7,662 soldiers during the last ten days. Both railroad stations have been the scene of their labors and they have met the men both ways, for returning soldiers as well as those who have yet to make their way to the battlefields of France have been the recipients of Red Cross hospitality.

BUSHMAN'S AUTOMOBILE BROUGHT BACK TO CITY To-morrow Clarence J. Collins and Charles C. Reinecker will be taken in an automobile by County Detective Walters to the point where they shot and killed George J. Bushman, of Gettysburg, whose body was found along the river road near Lucknow, October 17. The men conferred slaying Bushman somewhere near the borderline of Adams and Cumberland counties, on their way from Carlisle to Gettysburg. Last night Adams County Detective Wilson returned from Philadelphia with Bushman's car. Collins and Reinecker left it at a Philadelphia garage the day after the confessed murder.

CITY RISES EASILY ON OLD TIME SCHEDULE No more daylight saving! Early yesterday morning or Saturday night Harrisburgers turned their clocks back to the old-fashioned time that was known before daylight saving started to manipulate the time to suit itself. The days of long twilights and late dawns are passed, hereafter the dawn and twilight will be the same as it was before Congress decided to turn the clocks ahead an hour. Many an office clock was turned back this morning when employees turned up, according to the new time and found the clocks an hour ahead of time.

FIRE CHIEF OFFERS REWARD Fire Chief Kandler has offered a reward of \$100 for information leading to the arrest and conviction of the man who is said to have turned two alarms of fire in from box 84, at Race and Tuscarora streets, last night about 9 o'clock. It is said a man was seen to send in the alarms and then run from the box in the direction of the railroad.

ARRIVES OVERSEAS Mrs. Mary Gaffney, 114 North Second street, Steelton, has received word of the safe arrival overseas of her son, Thomas C. Gaffney, with the Thirtieth Regiment of Marines. "Tom" enlisted in the United States Marine Corps in June and received training at Paris Island, S. C., and Quantico, Va.

Help Santa Claus

Santa Claus is going to be a very busy man this Christmas! What with his war activities and the difficulties of getting about, he will need your help if the Christmas spirit is to be maintained.

One way you can help is to start your Christmas shopping now, and finish it as early as possible. Another way is to carry home your parcels whenever you can.

Most important of all, is to buy only useful presents (except toys for the children). This is surely no time for useless gifts or useless giving!

You know we are not permitted to put on extra help for the Christmas rush, and there is usually double the amount of business done in December than other busy months. This means that most of this buying will have to be done now and in November.

C. O. D. and approval purchases cannot be complied with, except in emergency, and then only subject to the department manager's consent.

This co-operation on your part is requested in order that we may comply with the Government's request to conserve light and labor.

So, buy early and do your share to help the cause and get first selections.
