

HARRISBURG FOOTBALL SEASON AT LANCASTER; SPORTSMEN HELP WAR FUND

Sportsmen Flock to Help the "Good Cheer" Big War Fund

Sportsmen of Harrisburg fall in line. The huge \$170,000,000 "Good Cheer" War Fund will be put under way here in a few days and the committee are just a little anxious now to figure out what can be furnished the populace in the way of brisk entertainment. As is generally known, the fund will be distributed through the Knights of Columbus, Y. M. C. A., Y. W. C. A., Jewish Welfare League, Y. W. C. A. Camp Community Service, American Library Association and the Salvation Army, all of which have their own individual canals, both at home and abroad.

lend his support to this worthy cause. Olympia National and Cambria Club arenas have offered their buildings for a show. Henderson Gilbert is chairman of the "stunts" committee here, and he should have immediate response from all athletes and others who can help free, of course. Lafayette, for example, has pledged her entire receipts of two football games. Two swimming meets have been arranged, with the opportunity came to Philadelphia to have a monster theatrical performance to be given at the Academy of Music; there are to be trotting contests, golf, basketball, billiards and a line of what we may expect here. Airships would make a great hit in Harrisburg. Nearly all cities are arranging for a cloud-busting tournament and one would surely be appreciated here. Whatever is staged should bring out a huge and cheerful crowd, for thousands of Americans are sacrificing their personal affairs to help Uncle Sam and the boys who are risking life for us, at home.

CARLISLE WINS OVER ACADEMY

Soldier Students Too Classy For Harrisburg Boys, Who Lose Out, 27 to 0

Coach Rudisil made a very fair showing on Saturday with the Academy football team against the Dickinson College team which had all advantage, the decision being 27-0. At his wit's end to engage somebody the opportunity came to tackle the student-soldiers of old Belleaire and Rudisil chaperoned his lads into the lion's den. Carlisle had it on the Academy in all-around play, and her weight alone was enough to win. Dickinson had not been out in a regular game until Saturday but the material was there and her men seemed to be in prime shape. For one quarter it was 50-50, but Carlisle was only measuring up the visitors, and thereafter it was all one way. Pips and Young, particularly, shone in the game. Carlisle's defense back field gave a good account of itself. Considering the inequality in class, Academy need not be ashamed of its performance. The summary:

CANNON PREVENTS DEMOCRATS FROM KILLING WAR BILL

Republican ex-Speaker Saves President's Important Appropriation Bill From Defeat

Washington, Oct. 28.—Almost on the heels of President Wilson's appeal for a Democratic Congress to back up his war policies came an exposure of its fallacy in the House. It came when the Republicans led by ex-Speaker Cannon, forced the adoption of the big six million-dollar military deficiency bill while the Democrats were endeavoring to force an adjournment to prevent the humiliation of Hefflin, of Alabama, who had been successful contrary to the House rules in having the President's partisan appeal placed in the record before the statement was issued. For the sake of partisan politics, Hefflin and his Democratic associates were willing to sacrifice the important war measure.

Harrisburg Pigskin Warriors Win And Lose in Games at Lancaster

Lancaster was the scene of football furor on Saturday, when two Harrisburg teams invaded the city of tobacco and schmerka with divergent results. George Coppel's Steelton High School cripples, all plastered with Red Crosses and wearing tu masks, hobbled down there and, much to Lancaster's amazement, gulped down Stevens' Trade School 19-0. Steelton had a line-up which sounded like the Czech-Slovak's declaration of independence. Captain "Bill" Wueschinski, a Jugo-Slav, could not make the trip, as he had celebrated the occasion with a serious dose of flu, but A. Sharosky demonstrated what he could do to Austria by booting the pigskin half a mile and following it up for a goal. Toward the end of the day this same Sharosky again scored and this time kicked a goal, and backed up by his allies, he took the offensive once more before call of time, giving his team a smashing victory, when it was supposed that the foe would triumph under double wraps.

Bill Baker Was Vacuum Cleaner When Tarsus Dusted Millersville

With new spirit and practically a new bunch the Tarsus School at Gwynedd football team defeated the kickless Millersville Normal school eleven by a score of 27-7. The field was in excellent condition and play was fast. Neither team scored in the first quarter, although Millersville worked the ball to the fifteen-yard line, but lost on a fumble. Starting the second quarter with the ball on the fifteen-yard line, Euker made a forward pass to Krebs which was good for forty yards. He immediately sent another forward to the same place which was good for thirty more yards. After being held for three downs, Euker shot a forward across the goal line to Krebs for the first score of the game. Fetrow kicked the goal. The rest of the quarter playing remained in midfield.

AROUND THE BASES

The League Island Marine football team won a hard-fought, cleanly contested battle from the University of Pennsylvania at Franklin Field Saturday afternoon by a score of 10 to 0. The "Devil Dogs" scored the single touchdown of the contest in the middle of the final period, Mike Wilson, center, kicked the goal. The Marines presented a defense that would have stopped almost any team in the country. From end to end they not only gave a fine display of individual defense, but their team work in repelling attack was a cooperative unit. Lieutenant Newcomb, last year's Bucknell captain, played a wonderful game at tackle, Gardner at guard, also distinguished himself. Pete Gardner, former football star at Carlisle under Glenn Warner something like fifteen years ago, played a wonderful defensive game. Time and again he tackled runners on the ends, and also was invariably the first man to reach an opponent after he had broken through the line.
