HUGHES ADVISES ARMY TRIAL IN AIRCRAFT FRAUD

Suggests Summary Action Against Colonel Deeds Who Spread Misleading News

Washington, Nov. 1.—Delays and wastes of the production program, the long-awaited report on the aircraft investigation declares, were due chiefly to "the defective organization of the work of aircraft production and the serious lack of competent direction of that work by the responsible officers of the signal corps."

dution board is exonerated of any wrong doing.

In his letter of transmittal Attorney General Gregory says "no profits have been allowed as to justify a charge of bad faith."

Colonel E. A. Deeds, the storm center about whom raged most of the charges which brought on the investigation, the report recommends should be brought before a court martial for sending confidential War Department information on the aircraft situation to former business associates in Dayton, Ohio, and for being "grossly misleading statement" to the effect that "the first American-built battle planes are to-day en route to the front in France."

S. H. Zimmerman Gives His Version of the Deal Which Resulted in Suit

S. H. Zimmerman, attorney, against whom an equity suit was filed yesterday by Mrs. Emma Auar, to-day issued the following statement:

"In the matter of the equity suit instituted by Emma Auar vs. S. H. Zimmerman, the wide publicity was given to an impression that fraud was committed, whereas the truth of the matter is that Emma Auar is now suing out a threat made several times to me all the injury she could if she did not get paid \$300 which she demanded, regardless of the payment by me to the sheriff of \$42 to save her stock of household goods, which she admits she still has, although she agreed in writing to repay me the costs of \$42; and regardless of having included in the threat an agreement to repurchase the place; then in a few weeks she related that her boys would not help her and surrender her agreement and entered into a lease.

"She also agreed to aid in finding

Septemper at the Mnt

September, Nov. 1.—September has been a busy month at the Philadelphia mint, though the demand for small coins showed a falling off from the preceding month.

To Relieve Catarrh, Catarrhal Deafness and Head Noises

Persons suffering from catarrhal deafness, or who are growing deaf, are glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief.

Woman Thinks She Is Privileged to Talk

"If any one ever had a miserable stomach I surely had. It was growing worse, too, all the time. Had severe pains and attacks every ten days or two weeks and had to call a doctor, who could only relieve me for a short while. Two years ago last February I took a treatment of 'May's Wonderful Remedy' and I have not had a spell of pain or misery since. My friends just wonder that I am looking so well. I feel I am privileged to talk about it." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. George A. Gargas, H. C. Kennedy, Clark's Two Drug Stores and druggists everywhere.

Glad to Praise Tonall To Benefit Others

"I live at Spring Grove, R. D., Lancaster county, Pa., and am a farmer," says Joseph Perry. "I suffered so much with pains in my back that I could not sleep, was nervous and run down. I used a bottle and a half now of Tonall and in that short time I improved very much indeed."

"I must praise Tonall for what it did for me; I am willing to help others and recommend Tonall for weakened, run-down conditions. It certainly is good."

This testimonial was given August 1, 1918. It is sold here at Gargas Drug Store, Harrisburg; Hershey's at Hershey, and Martz Drug Store, Steelton.

Stomach Dead Man Still Lives

People who suffer from sour stomach, fermentation of food, distension, after eating and indigestion, and seek relief in large chunks of artificial diet, are killing their stomachs by inaction just as surely as the victim of morphine is deadening and injuring his nerve in his body.

"What the stomach of every sufferer from indigestion needs is a good prescription that will build up his stomach, put strength, energy and elasticity into it, and make it sturdy enough to digest a hearty meal without artificial aid.
