

Dauphin Drags in Sale of War Saving Stamps

The per capita sale of War Savings Stamps in Dauphin county has been \$8.13, according to the report received yesterday by Postmaster Frank C. Sites, who is in charge of the War Savings Stamp sales in the county.

GIRLS! MOISTEN A CLOTH AND DRAW IT THROUGH HAIR

It becomes beautifully soft, wavy abundant and glossy at once.

Save your hair! All dandruff goes and hair stops coming out.

Surely try a "Danderine Hair Cream" if you wish to immediately double the beauty of your hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will spend a few cents for a bottle of Danderine.

Save your hair! Keep it looking charming and beautiful. You will say this was the best money you ever spent.

New Blood Needed

After the grippe, influenza or other serious illness, the body needs help to regain the health and strength sacrificed by the disease.

The blood first of all must be purified and revitalized. For this purpose physicians know of no more efficient body builders than Iron, Nux Vomica, Gentian, Capsicum and Zinc Phosphate in some form.

In many preparations, however, the Iron causes constipation, but in Chase's Blood and Nerve Tablets, which contain all of these tonics, this is overcome by the addition of Aloin.

The system, therefore, gets all the benefits of the Iron and other body builders without any unpleasant after-effects. Health and strength quickly return and pure, healthy blood is soon circulating through the body.

ATTORNEYS WILL AID REGISTRANTS

To Help Fill Out Questionnaires During Week of Nov. 11; Will Use Courtrooms

Notices are to be sent to all members of the Dauphin County Bar by the chairman of the three legal advisory boards in the city—Judge George Kunkel, Charles C. Stroth and A. C. Stamm—asking all attorneys to postpone any other legal business during the week of November 11 and assist registrants in filling out questionnaires.

The local draft boards will send out on the ninth, eleventh and twelfth instant about 6,000 questionnaires to the remaining registrants in the last draft.

The legal advisory boards have arranged with the judges that there shall be no court during the week beginning November 11, 1918, and the courtrooms No. 1 and No. 2 will be open daily from Monday to Saturday from 10 o'clock in the morning until 9 in the evening.

The notice to the attorneys follows: "The local draft boards will send out on the ninth, eleventh and twelfth instant about 6,000 questionnaires to the remaining registrants in the last draft."

The legal advisory boards have arranged with the judges that there shall be no court during the week beginning November 11, 1918, and the courtrooms No. 1 and No. 2 will be open daily from Monday to Saturday from 10 o'clock in the morning until 9 in the evening.

Harrisburg Cases in Week of November 11

The Public Service Commission today arranged to hear the bulk of the Harrisburg cases in the period between November 12 and 15 providing no further health regulations are issued.

On November 12 the Progress-Susquehanna Water; Lawson-Pennbrook Extension Water; Hummelstown Water and Stark-Harrisburg Gas cases will be heard.

On November 13 the Quinn-Harrisburg Railways and Newport and Sherman's Valley Railroad rate cases will be heard.

On November 14 the Valley Railway Water cases will be heard.

On November 15, the Miller-Harrisburg Gas complaint will be taken up.

The boroughs of Schuylkill Haven and Orwigsburg to-day filed complaints with the Public Service Commission against the new fares of the Eastern Pennsylvania and Pottsville Union Railways Companies and Girardville.

Death warrants were signed by the Governor to-day as follows: Frank Ressler, Lehigh, and John Baptist Dantine, Westmoreland, November 18, and John Kodner, Erie, November 19, is impending.

John P. Dohoney, accident investigator of the Public Service Commission, who has been seriously ill, is improving.

G. C. Bachman, Lebanon, has been appointed a notary public.

Electric companies have been chartered by Philadelphia for Kulpmont, Marion Heights and Mt. Carmel township, Northumberland county.

There are now just seven applicants for the Dauphin county register of wills vacancy.

John F. Dapp to Take Oath as Director

At the regular meeting of the city school board this afternoon it was expected that John F. Dapp, recently elected to the office of director, would take the oath of office.

Recommendations for approval include the appointment of a number of teachers and janitors and the renewal of compensation insurance.

S. S. KRESGE CO.'S DIVIDENDS The S. S. Kresge Company, with a store here, reports net earnings of \$1,944,475 for nine months ending September 30. After allowing for preferred dividends amounting to \$105,000, the balance was \$1,839,475, equal to \$13.39 a share on the \$100,000 common stock. This is at the rate of \$4.24 a share on the common stock for the full year of 1918, as compared with \$11.20 a share in 1917.

CITY ASKED TO OVERSUBSCRIBE BIG WAR FUND

Vital Need of Money For Soldiers Again Pointed Out

The Turkish surrender and the impending Austrian collapse will not cause campaign officials of the United War Work Campaign to relinquish their efforts to raise Harrisburg's \$180,000 quota of the United War Work Fund.

On the contrary, an official of the campaign committee said this morning, if peace is declared to-morrow, the need for the national fund of \$170,000,000 to finance the activities of seven war relief organizations would be greater than ever.

For that reason, peace talk will not quieten on the efforts of the Harrisburg executive committee to greatly oversubscribe the city's quota.

The work of the Y. M. C. A., Y. W. C. A., Jewish Welfare Board, Knights of Columbus, American Library Association, Camp Community Service, and Salvation Army, will be continued for a year and a half after the end of hostilities.

Campaign boosters in Harrisburg therefore sounded a note of warning this morning against the optimism that is likely to make prospective contributors in many quarters relax their efforts to provide comforts for the soldiers and sailors.

Fund Vital to Nation "The fund will be as necessary after the war as it is now," said David E. Tracy, secretary of the war work committee, "and it will take a year to bring our men home. During the long period of waiting they will have virtually all their time on their hands. They will need the excitement of work to keep their minds occupied, and there will be a tendency to relax discipline. During that time the immense fund of \$170,000,000 will be more than ever needed to furnish the soldiers with healthy amusements and recreations."

"For the reason that the work of these seven organizations must continue indefinitely after the war, it is up to Harrisburg to greatly oversubscribe its \$180,000 fund."

Posters Arrive Campaign posters arrived yesterday, and hundreds were distributed about the city under the direction of Mercer B. Tate and Boyd M. Ogelsby, poster committee.

Large quantities, so that canvassers will not be hindered by lack of facilities at the beginning of the campaign.

The executive committee for Harrisburg, composed of David E. Tracy, chairman, J. William Bowman, George S. Reineck, David Kaufman, Paul Johnston and E. R. Eckhardt, secretary, will attend the meeting of the Rotary Club to-day in the campaign in the city.

The canvass among contributors of other campaigns was renewed by the special advisory committee to-day. This committee's report will be received to-morrow at noon. The drive on the industrial establishments by William F. Starkey's committee will begin Monday noon after a luncheon in the Harrisburg club.

My uniform is in shreds. My puttees are ripped from the calves of my legs. My uniform also conforms Lieutenant E. A. Weaver, in an amusing script to his father, E. P. Weaver, Second street confectioner.

Ed calls it a little job with carb wire," explained Weaver. "And when he got through he had not much time to think of the Act of Congress that orders an officer to maintain the appearance of a gentleman."

TWO DEATHS AT HOSPITAL. Two deaths from influenza occurred at the Harrisburg Hospital yesterday and to-day. Only four new cases were admitted, seven were discharged. Four patients were sent to the Emergency Hospital. The deaths were: Walter Klone, aged 16, Scranton, and Joseph Stoney, aged 37, 521 Sarah street.

DAISY ALLEN ARRESTED. Daisy Allen, aged 32, was arrested by Patrolman Knell last night on the charge of carrying a concealed weapon. She was scheduled for a hearing late this afternoon.

Fine for Rheumatism; Lumbago, Sciatica and All Muscular Soreness

Andy Huston of Logan Township, Pennsylvania, says "After 20th Century Liniment Entirely Cured Me."

"Had Rheumatism so badly in hip and knee could scarcely do anything and suffered in mind of pain and misery, but with only three applications entirely cured myself and am able to do my work and enjoy every day of my life."

Step into the nearest drug store or stop on your way home at any drug store and get a bottle. If you don't find quick relief, return the bottle and get your money back.

corporal JOHN R. BAKER First stripes have been given to John R. Baker, son of Mr. and Mrs. John H. Baker, 24 South Sixteenth street, who is no longer a private but a corporal. The word came from abroad this morning. John will not be twenty-one years old until next month, and he has a mighty good start. He enlisted last May in the Three Hundred Fifty-first Field Artillery, put in only three weeks' Camp Meigs and was then sent to the fighting front over there.

NEWS OF STEELTON

SCHOOLS TO OPEN NEXT WEDNESDAY

Pupils From Stricken Homes Must Have Certificate From Attending Physician

All the public schools in the borough will reopen next Wednesday morning at the usual hour according to a statement made by the school board yesterday.

In order to insure safety against the further spreading of the disease, all children coming from homes visited by influenza will have to secure certificates of health from the attending physician before they can be re-admitted to school.

Where such certificates cannot be secured from the physician, a certificate from the medical inspector will be necessary.

All the churches will open the coming Sunday, and most of the clergymen have already announced that services will be held at the regular hours.

Several of the clergymen have made the announcement that for the sake of the safety of other worshippers it would be advisable for those who have been in contact with the disease to remain away from public services this Sunday.

The business places in the town quarantined will be allowed to reopen next Tuesday at noon, excluding, of course, business closed for the day by the election laws.

Thirteen new cases of influenza were reported to the health officer last night. None of them are considered serious. At the Emergency Hospital only twenty-two patients are being treated. There have been no deaths at the hospital in the last twenty-four hours.

Several patients have been discharged as cured, and no patients were admitted. One of the fortunate patients discharged as cured showed his appreciation by the gift of twenty-five dollars to the Steelton chapter of Red Cross.

CLOYD PEACE, who has been working at Lewistown for some time, died at the latter place Wednesday afternoon at the residence, 1111 Chestnut street, on Monday.

IRENE STEPHENSON, daughter of Mr. and Mrs. William E. Stephenson, of Enhat, died late last night at the residence of her mother, 1111 Chestnut street, on Monday.

ARMISTICE TERMS Will Affect War Operations; U. S. Principles as Basis

Paris, Nov. 1.—The armistice terms to be submitted to Germany will be confined strictly to military requirements, except that it will be brought out clearly that they are conditioned generally upon President Wilson's principles, with some definiteness.

Today's deliberations in connection with the armistice proposition were participated in by Belgian and Japanese representatives, the day's meeting having to do with German representatives.

When Austrian affairs were discussed yesterday, Serbian and Greek representatives were in attendance, because of their particular interest in Austrian matters.

The prime ministers of the Allied countries are now doing their principal part of their work in the small back parlor of the apartment occupied by Colonel House.

A small American telephone exchange has been put into the apartment by the army signal corps and an American Telephone girl manipulates the plugs. The telephone wires run from the various army headquarters and also from the foreign offices in London and Rome.

Standing of the Crews HARRISBURG SIDE Philadelphia Division — The 113 crew first to go after 4 o'clock: 114, 108, 120, 102, 125.

Engineers for 114, 108, 120. Firemen for 114, 108, 120. Conductor for 113.

Brakemen for 118, 114, 98, 120, 102, 125.

Engineers up: Shire, Gunderman, Shocker, Roos, Myers.

Firemen up: Harsh, Abel, Smith, Brailey, Criswell, McGonigal, Brakemen up: Breinzer, Clay, Hoyer, Burger, Wachman, Burns, Neldinger, Kennedy.

Middle Division—The 34 crew first to go after 2:30 o'clock: 23, 22, 121, 22, 31.

Engineers for 23, 22, 21. Firemen for 24.

Conductor for 23. Engineers up: Gladhill, Baker, Albright, Smith, Zantz, Sneyly, Brink, Firemen up: Smith, Buff, Markel, Bell, Humphreys, Sunderland, Brakemen up: Nicholas, Fleck, Beer's, Forcenaugh, Foryc.

Yard Brakemen up: Engineers for 4-7C, 5-7C, 11C, 5-15C, 6-15C, 23C. Firemen for 4-7C, 11C, 12C, 4-15C, 15C, 23C.

Engineers up: Riffert, McCartney, Firemen up: Shawfield, Shubb, Faesick, Burns, Hoffman, Freight, Coleman, Lake, King.

ENOLA DIVISION Philadelphia Division — The 203 crew first to go after 3:45 o'clock: 218, 216, 239, 211, 215, 232, 238, 212.

Engineers for 232, 238. Firemen for 203, 218, 238. Conductors for 39.

Brakemen up: Bruhl, Fritz. Middle Division—The 110 crew first to go after 2:40 o'clock: 294, 215, 218, 110.

Engineers for 110, 114. Firemen for 110, 114. Brakemen for 110, 114.

Yard Brakemen up: Engineers for 132, 35, 46, 118. Firemen for 126, 3d 126, 4th 126, 4th 129, 2d 132, 135, 2d 192, 2d 194, 109.

Engineers up: Liddick, Penick, Brown, Zelders, Zellers. Firemen up: Henderson, Groff, Allen, Gamber, Cesna, Knackstedt, Sanders, Glessner, Miller, Fiske.

PASSENGER SERVICE Philadelphia Division — Engineers up: Gibbons, Hall, Smetzer, Kennedy, Firemen up: Brakemen up: Shaftner. Middle Division — Engineers up: Schreck, Kelley, Riley, Smith, Keane, Miller. Firemen up: Arnold, Foyfethe, Simmons, Horning, Funtz, Johnson, Hummer, Snyder, Kohr, Kinere.

MINERS OF HARD COAL GET WAGE RAISE OF \$1 A DAY

Increase Granted by Fuel Administrator; New Scale in Effect Today

Washington, Nov. 1.—Formal announcement was made yesterday by the fuel administration of the increase of wages to workers in the anthracite mines decided upon two weeks ago.

The increase will amount, on the average, to about \$1 a day for each employe.

(A) Contract hand and machine miners shall be paid an advance of 40 per cent on their gross earnings.

(B) Consideration miners shall be paid an advance of 25 per cent plus \$1 per day for each day worked.

(C) Consideration miners shall be paid an advance of 40 per cent on their earnings. As this increase of 10 per cent over the agreement of November 17, 1917, is less than \$1 per basic shift, the difference between the new and old rates shall be assumed by the operator.

(D) Day machine miners' laborers who received not less than \$2.72 per day shall be paid an advance of 25 per cent plus \$1 per day for each day worked.

(E) Day machine miners' laborers who received less than \$2.72 per day shall be paid an advance of 25 per cent plus \$1 per day for each day worked.

(F) Outside blacksmiths, carpenters, electricians, machinists, firemen, hoisting engineers on shafts and hoists where employment is regulated by law or by the award of the anthracite coal strike commission to (8) eight hours per day, and engineers working on a twelve-hour shift basis, shall be paid an advance of \$2 per day for each day worked.

All other outside company men who received \$1.54 or more per day shall be paid an advance of \$1.50 per day each day worked.

(G) Inside engineers and pumpmen, working on a twelve-hour shift basis, shall be paid an advance of \$2 per day for each day worked.

(H) All employes paid by the day who received less than \$1.54 per day shall be paid an advance of \$1.20 per day for each day worked.

(I) Monthly miners under the agreement of May 5, 1916, shall receive an advance per day for each day worked, equivalent to that provided for their respective occupations under paragraphs (F) and (G).

(J) The advances of \$2.20 per day, \$2 per day, \$1.80 per day, \$1.20 per day and 25 per cent, plus \$1 per day, provided above, are to be applied to day, whether eight hours or more, as established under the agreement of May 5, 1916; any proportionate part of a day to be paid a proportionate part of the advances herein provided.

(K) The employes of stripping contractors, paid by the day, working on the basis of a nine-hour or ten-hour shift, shall be paid the same increase per hour for each hour worked that is provided for outside company men working on an eight-hour basis.

Based on Scale of May 5, 1916. The increases are based on the wage scale of May 5, 1916, which is the contract under which miners and other workers in the anthracite coal fields were operating, and which was 1917, on account of war conditions.

Wages in various mines are not identical to the cent, and an absolute interpretation of the scale in dollars and cents as to every mine worker is therefore impossible. A memorandum was submitted to the conference of national labor adjusting agencies, as being fairly typical of the general situation. In some instances the wage increase received was materially less, and in some instances materially more, than the tabulation which is as follows:

OUTSIDE Adjust- ment Occupation. Base cts. Rate c. p. h. per c. p. h. Blacksmith 32 .35 .25 .57 .60

Look, Mother! Its tongue coated, breath feverish and stomach sour?

"California Syrup of Figs" can't harm tender stomach, liver, bowels

A laxative to-day saves a sick child to-morrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath fetid, or doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs." Men don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is often all that is necessary to get the system back to normal, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is often all that is necessary to get the system back to normal, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is often all that is necessary to get the system back to normal, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is often all that is necessary to get the system back to normal, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again.
