Mrs. Gray's Feet Were Big Bother

But Now There Has Come a Delightful Change and She Is Happy

"I can't begin to tell you how I suffered with my feet and limbs," says Mrs. Velma Gray, of North Seventh street, Harrisburg, Pa.

"It was awful. My feet would burn like fire all the time and nothing I could do would give me any relief, although I tried everything I could think of."

"Then suddenly they would begin to swell and they would put up until there was a great ridge at the top of my shoes and I would have agonizing pains in both feet and limbs."

"Finally I made up my mind to try Tanlac as a last resort and to my delight it began to help me right away. Now the swelling and pain have all gone away and I can walk all day without suffering."

"It is certainly a wonderful relief and I cannot find words to express my gratitude to Tanlac and I want to spread the news of my relief so that others may benefit."

The genuine Tanlac bears the name "J. L. Gore Co." on outside carton of each bottle. Look for it.
