Considerable public interest has been aroused in the Merger convention of the Lutheran Church to be held in New York City beginning November 12. At this convention it has been planned to merge the three branches of the Lutheran Church in the United States, the General Synod, the General Council and the United Synod South.

Such eminent men as Secretary of War Baker and Governor Whitman, of New York, will address the convention at its meetings. Apart from the religious significance of the convention, it has a marked patriotic importance coming at this time. Dr. Theodore E. Schmauk, President of the General Council has pointed out that as the world is beginning anew, so the United Lutheran Church which is to be formed this month, is beginning anew, free from the incumbranches of the past, ready to look only at the tasks of the future.

It is planned that the formal merger of the three church bodies will take place Friday, November 15, in the Auditorium of the Engineers Society building. The public ratification meeting will be held Friday evening in the Hotel Astor. Sunday, November 17, mass meetings will be held Friday revening in the Hotel Astor. "There is one remedy I always keep in the house, and that is Dr. Caldwell's Syrup Pepsin. It helps my digestion wonderfully and as a laxative it is pleasant and dependable." (From a letter to Dr. Caldwell written by Mr. J. N. Kidd, Bells, Texas.)

From youth to age the greatest menace to health is constipation, which retards digestion and disturbs the entire organic system. To relieve constipation a mild laxative, such as Dr. Caldwell's Syrup Pepsin, is preferable to drastic cathartics and purgatives, the violence of which shock the system unduly.

THE GRIP EPIDEMIC

How To Dodge It and What To Do If You Already Have It

If you are overtired, weak or run-down, you catch cold easily. If you have a cold, it is easy for grip to take hold. If you have the grip, it may easily lead to pneumonuia, and that often

If you have the grip, it may easily lead to pneumonuia, and that often ends fatally.

So first of all do not allow yourself to get run down or weakened. Build up new strength by taking Father John's Medicine, which gives health resistance to overcome disease.

But if you have a cold, do not neglect it. Begin taking Father John's Medicine right away. It is the logical, safe way to treat a cold and has proven its value by more than sixty years' success.

A mild attack of grip will usually yield to Father John's Medicine, but the getting-well stage is the danger point. It is then that the body, weakened by the grip germs, is open to attack by many other lurking disease perils. These poisons must be driven from the system and Father John's Medicine is most effective by means of its laxative effort and because of its strength-giving, health-building, tissue-forming elements.

Remember, Father John's Medicine is a pure, wholesome food. Guaranteed absolutely free from opium, morphine, heroin, codeine or any other dangerous drugs or alcohol. Get the large size—it contains more than twice the small size.
