PROMINENT MEN **ENLISTED IN WAR WORK CAMPAIGN**

Former American Ambassador to Turkey to Speak at Great Rallies

With the lifting of the influenza ban on public meetings in most of the ten counties comprising the Sixth Pennsylvania 'district of the United War Work Campaign, district head-quarters in this city, is urging county organization heads to plan mass meetings to boost the drive wherever possible.

State headquarters has made an arrangement with the Pennsylvania Council of National Defense for the use of the "Four Minute Men" in the campaign, and speakers from this group of livewire orators will speak in practically every important center of the district from now on until the campaign ends on November 18.

Benjamin H. Ludlow is commander-in-chief of the speakers who will be routed over the state and a number of noted men have already been secured to address meetings in the bigger cities of the Sixth Pennsylvania district. With the lifting of the influenza

BELGIANS CAPTURE GHENT

A Dead Stomach

Of What Use Is It?

Thousands? yes hundreds of thou-sands of people throughout America are taking the slow death treatment daily.

They are murdering their own stomach, the best friend they have, and in their sublime ignorance they think they are putting aside the laws of nature.

Mi-o-na stomach tablets relieve distressed stomach in five minutes; they do more. Taken regularly for a few weeks they build up the run-down stomach and make it strong enough to digest its own food. Then indigestion, belching, sour stomach and head ache will go.

Mi-o-na stomach tablets are sold by druggists everywhere and by H. C. Kennedy, who guarantees them.—Advertisement.
