Both Parties Claiming Victory in New Jersey

Trenton, N. J., Nov. 5.—Threatening weather resulted in unusually light balloting throughout New Jersey in the morning hours. Party leaders predicted heavy voting later in the day, however, Republicans and Democrats each claiming victory.

In the two United States Senatorial contests, Walter E. Edge, Governor, and David Baird, present incumbent, Republicans, are opposed respectively by George L. LaMonte and Charles O. Hennessy, Democrats. Governor Edge and Mr. LaMonte are rivals for the full term to succeed Joseph P. Frelinghuysen. The contests for Representatives in Congress in all twelve districts, but in the Fifth district also a Republican will be chosen for a short term to fill a vacancy.

The 24-hour open air campaign conducted by women suffragists here against United States Senator Baird to succeed him in the short term, ended at 6 a. m. to-day.

HEAVY VOTE IN SCHUYLKILL county's election opened with a particularly heavy vote from what can be learned of the largest towns in the district. Practically every block and the voting is a straight ticket contest and under these conditions the returns should show a heavy Republican plurality. The vote is fair and the greater portion of the vote will be out in the mining towns by 5 o'clock. The industrial centers show about forty per cent of the registered vote polled at noon.

Health authorities said to-day that the public need observe no further quarantine measures, but should follow the precautions of covering the mouth and nose when sneezing or coughing.

Dr. B. Franklin Royer, acting commissioner of health, to-day stated that reports from Pittsburgh were that the closing order was being generally obeyed and that prosecutions had been started by state agents against owners of picture houses or saloons who had opened yesterday. Counsel has been retained at Pittsburgh to have charge of these cases for the state authorities and the Attorney General's Department is being kept informed.

Dr. Royer said that while the ban against Lancaster kept at noon to-day automatically, as in York, Dauphin and other southern central counties, it would make no difference in regard to the attitude of the state on the equity action. The state will maintain its position as to the legality of the quarantine.

Tomorrow the ban will be raised in Berks, Lehigh, Northampton, Lebanon, Lycoming and other central counties.

Reports to-day, say health authorities, indicate a clearing up generally.

A letter was received by Council notifying them that \$950 of the estate of Emma E. Funston would be available for the erection of a drinking fountain for animals, as provided in the will of the woman. The communication was filed and the commissioners will confer later with City Solicitor Fox.
