COMMISSIONERS WERE MUCH TOO BUSY

Commissioners Report That They Found the Pennsylvanians Keen For Work

Some of the scores of election commissioners to camps and stations who filed the returns on soldiers and sailors votes at the Capitol during the morning hours stated that in a number of instances the men in training were too busy to vote and that in other cases the soldiers displayed little interest in the election. At one camp the men seemed to be more concerned after football in their hours of leisure than going to vote.

Among the commissioners to report into yesterday were those to Camp Meade who brought something like 750 votes, while the commissioners to Camp Lee, where over 13,000 Pennsylvanians were reported, filed to-day together with commissioners to Brooklyn, Norfolk and other naval stations. The story in brief is that the official votes of the counties will not be completed for more than a week as the courts must allow for return of commissioners. This is the first time in many years that two members of the Legislature have been chosen to the highest executive office of the Commonwealth. Mrs. E. H. Boots, a well known resident of Buchanan County, Ia., who darkened her gray hair by this simple remedy, which they can mix at home. To half a pint of water add 1 ounce of bay rum, one small box of Barbo Compound and 3 ounces of glycerine. These ingredients can be purchased at any drug store at very little cost. Apply to the hair every other day until the gray hair is darkened sufficiently. This is not a dye, it does not color the most delicate scalp, is not sticky or greasy and does not rub off. It is surprising how many people suffer from iron deficiency and do not know it. If you are not getting on well you owe it to yourself to make the following test: See how long you can go without becoming tired. Next take two five-grain tablets of ordinary iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous people say that Nuxated Iron has done for them what nothing else could do.

General John L. Clem, U. S. A. Retired, the drummer boy of Shiloh who entered the U. S. Army at the age of 12 years. Manufacturers' Note: Nuxated Iron, recommended above, by physicians, is not a secret remedy, but one which is well known to druggists everywhere. Unlike the older inorganic iron products it is easily assimilated, does not injure the system, does not upset the stomach. The manufacturers guarantee successful results to every purchaser or they will refund your money. It is dispensed in this city by Retail Dealer G. A. GORGAS, Nelson Clark and all other druggists.

Mrs. E. writes: "I hesitate to ask advice as my case is so unusual. In a word, I am tired and worn out all the time. Rest does not refresh me. I have been married over a year and formerly had a very good time. I feel tired or nervous. Sometimes I feel hysterical. I fear I will become a nuisance to my husband. This continues." Answer: Your nervous system has been depleted. You need a tonic-vigorating medicine that will aid in supplying more food-energy, to your nerves. Take Three Grain Cadomene Tablets regularly for several months.
