Draw a moist cloth through hair and double its beauty at once.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Influenza Precautions

Don't get excited when you catch cold and have symptoms of influenza. Take things as easy as you can. Send for your doctor and take a dose of a good vegetable laxative, such as Dr. Carter's K. E. Tea or Calery King. It is most important that the bowels act freely.

'PUNKIN' PIE IS HOT STUFF, YOU BET, WITH RED PEPPER

Cinnamon Really Is More Tasty in the Kind 'Mother Makes,' So Hershey Man Decides, After Trial

Hershey, Nov. 8.—Lovers of mother's good old-fashioned 'punkin' pie received a terrible blow yesterday noon when they settled down in their chairs at the Hershey cafe for a good-sized portion of their favorite delicacy. Instead of pumpkin pie they received some 'hot stuff,' as one of the patrons aptly named it. Here's why: John Gates, manager of the cafe, went to the Hershey department store for a pound of cinnamon. Some one got things muddled and Gates carried back to his cook a pound of cayenne pepper. The cook, thinking the manager knew what he had bought, served the pumpkin pie with cayenne pepper dressing. The result was just what could be expected. There was much weeping, wailing and some gnashing of teeth. However Gates didn't give a ding about a little mistake like this, for a new Miss Gates has just arrived at his house! And life's worth the living!

NO RED CROSS CHRISTMAS SEALS TO BE SOLD THIS YEAR

The local Chapter of Red Cross has received notice that there will be no sale of Red Cross Christmas seals this year. For many years the American Red Cross annually issued Christmas seals for help in the war on tuberculosis in connection with the Anti-tuberculosis Association, and will do so again this year, but in place of selling them will give them away free of charge to all members of Red Cross chapters and auxiliaries. Some time in December the membership drive will be made by the Red Cross and all who will then join or renew their membership will receive in acknowledgment of their membership ten of the seals together with literature on the work against tuberculosis. A certain percentage of the membership receipts will then be given to the Anti-tuberculosis Association to aid in its work.

TOWN IN HOLIDAY GARB BECAUSE OF VICTORY RUMOR

Church bells were pealing year, but in place of selling them will give them away free of charge to all members of Red Cross chapters and auxiliaries. Some time in December the membership drive will be made by the Red Cross and all who will then join or renew their membership will receive in acknowledgment of their membership ten of the seals together with literature on the work against tuberculosis.
