Store Closes Saturdays At Six—Shop Early

There are always some gifts which one cannot buy until later, but the bulk of your Christmas shopping should be done now! Our store is ready to serve you with big stocks of serviceable gift-things. Crowds are absent, stocks complete and shopping a pleasure. Later on it may not be so easy.

Don't wait another day! Make out your Christmas list and buy your presents now. By so doing, you'll not only be helping yourself, but you'll be helping the Government, too! And please carry as many small packages as possible.

Special Notice to Charge Customers & Those Desiring to Open Accounts

In order to induce early holiday shopping and thus help the government in its efforts to relieve the congestion incident to the usual Christmas business, we shall charge all November purchases on your December account.

Bills will be sent out on December 1st, as usual, so you may check your purchases, but those who wish may withhold payment until January 1, 1919.

"A SENSE of obligation for the varied and useful service rendered to the army in France . . . prompts me to join in the appeal for its further financial support. I have opportunity to observe its operations, measure the quality of its personnel and mark its beneficial influence upon our troops, and I wish unreservedly to commend its work for the army."
