Ducks, Hot Biscuits and Gravy With Tom Marshall

"A friend in need is a friend indeed," Dr. S. B. Friend of Los Angeles, Cal., is all that the word friend implies...

October 1 was the opening day in the duck shooting arena in California. As the guest of Dr. Friend and wife, the writer visited the Castle Lake Duck Club...

When we arrived, the surface of the lake was covered with mallards, teal, spoon-bill, sprigs, while an occasional flock of canvasback were conspicuous by their flashing silver gray color...

Ensnared in our blind, the first shot was fired, which put all wild life in motion, creating general confusion...

There can be no more attractive bird or entrancing mark to direct the muzzle of a gun toward, by the red blood hound, than a frisky mallard...

Three Football Games Are Scheduled Here Today

Only rain could bust up the football schedule for Harrisburg this afternoon and at 11 o'clock the athletic teams were met by the Bellefonte Academy boys, husky as a stone fence, hove in view a little before that hour, and were met by the West End Athletic Association...

Grubb announced that Eugene (Shorty) Miller would be responsible for the refereeing, and he seemed to be a formidable foe for Tech of the West End aggregation...

The schedule provided a game beginning at 1.30 twixt Scrubs and Hershey A. C., and the big game at 2 o'clock between Tech and the Academy team had arranged to play with Lancaster Stevens Trade school, and Coach Russell gathered his squad together for an early hour for final practice. There was plenty of ginger in the Academy bunch, a lively mass meeting of students yesterday bringing out the pep. Manager Loose announced the following list of battles as arranged up-to-date:

November 9, Stevens Trade, at home; 13, Middletown Aviators, at home; 15, Gettysburg High School, at home; 23, Gettysburg Academy, at home; 28, Reading High School, at Reading; 30, Franklin and Marshall Academy, at Lancaster.

Uptown was promised a genuine battle, if the weather be clear, for the West End Athletic Association was all primed to tackle the fast St. Mary's squad of Steelton. Mike Miller, star of end rushers, Merka and Marina, stars of last year's Ebanau team, were looked to for great things by the Steelton management. Coach Spotts, of West End, said he would use McCann or Pickinger against Miller.

The West End aggregation will line up as follows: McCann, Pickinger, Bates, Atkins, Reed, Glass, Elkins, Atticks, Long, Fritz, Hiney, Williams, Shuey, Pennybaker and Dill.

Williamsport was the destination of George Cockill's Steelton High school demons, and George was aware of the task in view. Williamsport always plays its head off in anything against Steelton. Rumor says that Cockill has greatly improved the team work and that Steelton will prove a formidable foe for Tech of Harrisburg.

Gettysburg - Bucknell Game Takes Place on Island Net Saturday

P. B. Rice, acting for Gettysburg College, arranged with James A. Tyson, of Bucknell, today, for the annual football game next Saturday, November 16, at the island grounds. This should be a rip-roaring battle for the fray last year was a big attraction. Both these colleges are now in the S. A. T. C., and an increase of students has given opportunity to pick out some husky talent. Each school will bring a big bunch of rooters and its band to wako things up before the encounter. This engagement is iron-clad, says the two promoters, and Harrisburg is not to be disappointed.

KING OSCARS 7 Cents

---but the same quantity of Havana in a Sumatra wrapper that's been there for 27 years.

When war times sent labor and materials sky high —

We might have cut the size— We might have cut the quality—and We might have maintained the price.

But we reasoned it wasn't the price that gave you smoke - satisfaction during some or all of the past 27 years

We maintained the same quantity— We maintained the same quantity of Havana in a Sumatra wrapper—that you've always found in King Oscars—and We increased the price.

We don't know whether this necessary increase will appeal to you at first crack —

But we do know that King Oscar regularly always will.

And we know this, too —

One of these days you'll get hungry for one of the old-time smokes

You'll hanker for that same smoke satisfaction you've known for years.

And you'll feel as though you've just got to get back of a King Oscar.

It will be waiting for you in the dealer's case just around the corner and you'll find it the same good old friend it's always been.

John C. Herman & Company Manufacturers KING OSCAR CIGARS

P. S.—If you've never smoked King Oscars — go 'round the corner and get acquainted with a good friend.
