WOMAN DIES IN STORE ROOM

Mrs. Bessie Haines Stricken While Making Purchase at Mechanicsburg Saturday

Mechanicsburg, Pa., Nov. 11.—After having just completed a purchase in Trimmer's Five and Ten Cent Store on Saturday evening about 7:30 o'clock, Mrs. Bessie Haines fell forward on her face, dead. The store was full of people when her sudden death occurred, and the woman was carried into the back of the building to the air, and a physician summoned, who pronounced her dead. Later, Coroner Dr. J. H. Deardorf gave the cause of death as neuralgia of the heart. Previous to this time Mrs. Haines was in her usual health. She was the widow of Charles Haines and was aged 35 years. She was a member of Trinity Lutheran Church and Resolute Council, No. 77, Daughters of Liberty. Surviving are her parents, Mr. and Mrs. George Sheaffer, West Kellee street, Mechanicsburg; one daughter, Marie, and two sisters, Mrs. Charles Peffer, of Upper Allen township and Mrs. Clarence Vosseleng, of Mechanicsburg. The funeral services will be held on Wednesday afternoon, conducted by the Rev. H. Hall Sharp and burial will be made in the Mechanicsburg Cemetery.

Mechanicsburg Officer Killed on French Field

LIEUT. DAVID M. RUPP

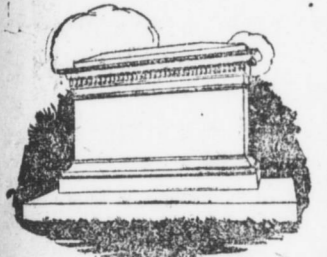

Mechanicsburg, Pa., Nov. 11.—In a letter dated October 11, Captain Luckie writes from France to Mrs. David M. Rupp, of Mechanicsburg, that her husband, Lieutenant David M. Rupp, was killed in action. Although unofficial, the news was confirmed by the letter Lieutenant J. Wilbur Townsen wrote his parents, Mr. and Mrs. T. Fred Townsen, of Harrisburg, in which he said Lieutenant Rupp was lying on the ground wounded and as he thought, dead, when leaving the battle lines. It is thought that a piece of the same shrapnel shell, which wounded Lieutenant Townsen, killed Lieutenant Rupp on Saturday morning. As Lieutenant Townsen states in his letter that the engagement in which he was wounded occurred in the vicinity of Verdun on September 26-27, it is judged by Mrs. Rupp that the date is that upon which her husband fell. Lieutenant Rupp and Lieutenant Townsen were close friends, having enlisted in the United States service shortly after the call went forth for men. Both attended the first officers training camp at Fort Niagara; together they were sent to Camp Meade, Md., and later went overseas in July. They were members of the 31st Infantry, 79th Division and fought almost side by side. Lieutenant Rupp, who is the son of Attorney S. S. Rupp, of Shiremanstown, and prominent in Harrisburg, is a graduate of Dickinson College, and at the time of his enlistment was attending law school. He is survived by his wife, who was formerly Miss Mary Landis, daughter of Mr. and Mrs. Amos Landis, of South Market street, Mechanicsburg; his parents, Mr. and Mrs. S. S. Rupp, of Shiremanstown; one brother, Francis, who is in the Aviation Corps, and one sister, Mrs. James Shepley, of Reigersville, Pa.

Fire Damages Furniture Factory at Gettysburg

Gettysburg, Pa., Nov. 11.—Fire broke out in the varnish room of the Gettysburg furniture factory just before the closing hour Saturday afternoon, and but for the prompt action of the men employed in the plant and the town fire company it is likely the industry would have been ruined. Just how the fire originated is not exactly known, but it is thought was caused by a short circuit in the pump or large spraying machine used by the varnishers. The fire spread and there was a great burst of smoke through the windows and roof of the building, followed almost immediately by the flames leaping toward the sky. The hose and extinguishers of the plant were brought into play at once and the flames were extinguished before the automatic release on the big sprinkling system worked. Many pieces of fine furniture just about finished were damaged.

May Still Enlist For Training in Officers Corps

The cessation of hostilities with Germany will not alter the plans of the War Department to establish the great officers training camp at Fremont, California, according to Lieutenants Samuel J. Black and W. L. Lathrop, who are in charge of recruiting candidates for the camp. Lieutenants Black and Lathrop opened recruiting headquarters in the old post office building this morning, where they will remain open from 8 until 5:30 o'clock. The camp at Fremont will be an infantry officers training school. Applicants must be between the ages of 18 and 45 years. A high school diploma is not required, the applicants' general education being considered. Successful applicants will receive second lieutenants commissions upon graduation. The lieutenants in charge of the recruiting point out that the new officers training camp provides a splendid opportunity for draft registrants having the necessary qualifications, to enter the service as officers with substantial pay, and receive the advantages of military training to fit them better for the activities of civil life, now that the war has ended.
