RHEUMATICS MADE HAPPY

Satisfied That "Neutrone Prescription 99" Is All That's Claimed

This reliable prescription has, since being placed in the hands of the public, done more to remove Rheumatic Troubles than all previous remedies combined.

It is different from other remedies in that it does not upset the stomach or impair the heart, a condition heretofore thought impossible.

It is not a cure-all, but a remedy to be taken internally treating Rheumatism as a constitutional disease by its general action through the blood.

The treatment is a most complete combination of rheumatic-reducing elements and is dependable to produce results from the fact it aims at rheumatism as a disease of the blood. 50c and \$1.00 the bottle.

For sale in Harrisburg by George A. Gorgas, 16 North Third street and Pennsylvania Railroad Station.

BACKACHE, LUMBAGO AND RHEUMATIC PAINS VANISH OVERNIGHT

20th Century Liniment Always Ready. Just Rub It On. Guaranteed.

"You can have your money back," says your druggist. If 20th Century Liniment doesn't drive that soreness, stiffness, lameness and pain from your muscles, joints and bones...

20th Century Liniment never disappoints and will neither burn nor blister. It brings quick relief from rheumatism, rheumatic pains and twinges, sprains and all soreness of nerves and muscles.

Don't think that because 20th Century Liniment doesn't smart, burn and blister that it is not a remedy. It brings comforting, soothing relief with the first rub. Try it to-night and see if you don't feel it as a balm in the morning. If it doesn't do all and more than we claim for it, take the bottle back to your druggist and he will return you your money without question. Your druggist can supply you.

Stomach Dead Man Still Lives

People who suffer from sour stomach, fermentation of food, distress after eating and indigestion, and seek relief in large chunks of artificial digestors, are killing their stomachs by inaction just as surely as the victims of morphia are deadening and injuring beyond repair every nerve in his body.

What the stomach of every sufferer from indigestion needs is a good prescription that will build up his stomach, put strength, energy and elasticity into it, and make it sturdy enough to digest a hearty meal without artificial aid.

The best prescription for indigestion ever written is sold by druggists everywhere and is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

Look at tongue! If feverish, bilious, constipated, take no chances.

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again.

Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given to-day saves a sick child to-morrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see the name, made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

"The Live Store" "Always Reliable"
The "Overcoat Fair"
Business today is a battle between keen, ambitious busy minds, trained in the hard school of experience and back of every successful business is an ideal and constant planning to make perfect that ideal; in the battle of the business world "quick action" wins the day, plus the studying, training and effort with which that action is directed — For the past year we've been planning for the "Overcoat Fair."
We put our earnest efforts back of this Doutrich achievement in order to save money for our customers and YOU and YOUR friends will see the "Big" advantages in buying at this "Live Store" if you will come HERE and compare the values we are offering — We started this "Overcoat Fair" with
4,400 Overcoats
Everybody today is talking about this "busy store" and the great quantities of Overcoats we have — Good Overcoats are scarce almost everywhere, but if you want to see unequalled assortments, just take a few minutes to look in our windows — You'll probably think we have gone into manufacturing Overcoats for there you will see a
\$42,000 Window Display
We are not afraid that the display will ever be duplicated in any store in Pennsylvania for there are few merchants who can fully realize what an enormous lot of Overcoats it takes to make a showing such as this
This Is the Store Everybody Is Talking About
