SOLDIER VOTE BEING COUNTED

Returns From Various Camps Probably Will Not Change Northumberland Results

Sunbury, Pa., Nov. 19.—Count of the soldier vote from this county will be made by Judge Cummings, Prothonotary Summers and a corps of clerks on Friday, starting at noon. No one has any idea how many votes were cast, as the thirty-one returned envelopes from camps all over America are sealed. It has been estimated that there may be 1,200 in the district.

Whatever the votes in Northumberland county, it is not expected that it will affect any of the present results. William W. Roberts, of Mt. Carmel, and D. W. Helt and Noble Clefentis, of Shamokin, present Republican members of the Legislature, will be returned, it is believed, as their pluralities are enough to hold their own. Also there is no reason, politicians say, why the ratio in the voting in the Army should not be the same as in the county.

Mr. Leshar succeeds John G. McHenry, of Benton, to Congress, and has held three terms. He will enter on his fourth term in January, if the soldier vote does not count him out.
