

PRESIDENT GOES TO FRANCE WHEN CONGRESS MEETS

White House Announces Wilson Will Sit at Peace Table at Behest of Allied Premiers; Lansing, House, Root and and Brandies to Be Commission

By Associated Press Washington, Nov. 19.—President Wilson will go to France early in December to take part in the discussion and settlement of the peace features of the treaty of peace. His decision to accept the invitation of the Allied premiers was made known last night in a formal statement from the White House, which stated:

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

If cross, bilious, sick, feverish, or full of cold, take no chances.

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Children love this "fruit laxative," and nothing else cleans the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, live grey sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, doesn't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels. Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

Influenza Precautions

Don't get excited when you catch cold and have symptoms of influenza. Take things as easy as you can. Send for your doctor and take a dose of a good vegetable laxative, such as Dr. Carrier's K. & B. Tea or Celery King. It is most important that the bowels act freely for the doctor rub Mustarine on throat and chest. This is good advice as any druggist will tell you and besides stopping the aches and pains that may be present will subdue the internal inflammation.

Easy to Make This Pine Cough Remedy

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup.

Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs. Beware of substitutes. Ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

ing of the regular session of Congress, for the purpose of taking part in the discussion and settlement of the main features of the treaty of peace. It is not likely that it will be possible for him to remain throughout the sessions of the formal peace conference, but his presence at the outset is necessary in order to obviate the manifest disadvantages of the discussion by cable in determining the greater outlines of the final treaty, about which he must necessarily be consulted. He will, of course, be accompanied by delegates who will sit as the representatives of the United States throughout the conference.

The names of the delegates will be presently announced. The President plans to sail immediately after the opening of the regular session of Congress on December 2. How long he will remain abroad is not known. He has indicated that it is not his present intention to stay throughout the sessions of the conference, but since the delegates probably cannot be assembled until late in December he will be absent from the United States for several weeks at least.

Mr. Wilson will be the first President to visit Europe and also the first to attend a peace conference growing out of war in which the United States took part. He regards his present departure as necessary in order to obviate the manifest disadvantages of discussion by cable in determining the greater outlines of the final treaty.

Accompanying the President will be delegates who will sit as the representatives of the United States throughout the conference. The names of these delegates soon will be announced. Secretary of State Lansing will head the American commissioners and other members probably will include Colonel E. M. Hoover, who is now representing the government in the deliberations of the supreme war council at Versailles; Elihu Root, former secretary of state, and Louis D. Brandeis, associate justice of the supreme court.

The President's ship will be escorted into a French port by French war craft and possibly also by vessels of the British and Italian navies. Troops to be assigned as the guard of honor for the President in France probably will consist of units from each of the Allied armies.

The meeting between President Wilson and President Poincaré will be the first between the chief executives of the two greatest republics and it will be the first time that a President of this country has visited a foreign capital. Before returning home Mr. Wilson probably will go to London and Brussels and possibly Rome. He also may make a pilgrimage to some of the battle fields of France.

Washington, Nov. 19.—Senator Cummins, of Iowa, yesterday introduced a resolution providing that every honorably discharged soldier or sailor be permitted to keep the uniform he wore at the time of demobilization.

Paris, Nov. 19.—Marshal Foch, in a speech at a luncheon given in his honor yesterday by Field Marshal Haig at British army headquarters, said that the hammer blows dealt by the British were decisive factors in the final crushing of the enemy.

Soldiers Take Epaulets From Their Former Chief

During the rioting in Brussels a soldiers' committee directed that all German officers should be stripped of their epaulets. One of those whose swords and insignia were torn away was General von Falkenhayn, former chief of the general staff.

BAUER APPEALS TO AMERICA IN WELDING BONDS

Wants President to Help Germans in Austria Effect Desired Union

Basel, Nov. 19.—Foreign Minister Bauer, of the German-Austrian government has sent an address to President Wilson, confirming the proclamation of the German-Austrian republic and expressing the hope that President Wilson, in accordance with his principles, support the efforts of Germans in Austria to effect a union with Germany. He points out that this is the same as supporting the rights of the Poles, Italians and Jugoslavs to unite with motherlands outside of Austria-Hungary.

The foreign minister also begs Mr. Wilson to bring about an early discussion of peace preliminaries and concludes by saying that his government is constituted of representatives from all parties and has succeeded up to the present time in preserving order. This task, however, has been difficult because of the lack of food, the blockade being said to threaten famine.

ALLIES REOCCUPY BAKU London, Nov. 19.—British and Russian forces on Sunday reoccupied the Russian seaport of Baku on the west coast of the Caspian Sea, says an official statement issued last evening by the War Office. The Allied forces were given an excellent reception, especially by the poorer classes. The Turks, before evacuating the port, looted it.

CANDY IN YANKEE RATONS Paris, Nov. 19.—Candy has been officially included in the rations of the American Expeditionary Force, the Stars and Stripes announces. The men will be allowed one-half pound each every ten days. The rations will include chocolates and hard candy.

Sentence Suspended on Youth Who Killed Boy

Suspending sentence until June term of court, John Skane, who shot to death Frank Tippery, 331 Kelker street, at Losh's Run, July 18, will have practical freedom until the court convenes. The case, which was tried in the Perry county courts, at New Bloomfield, had been submitted to the Grand Jury, and a true bill of involuntary manslaughter and careless use of firearms had been returned. James M. McKee, District Attorney for Perry county, prosecuted the case. Counsel for the defendant was George K. Barnett.

Builders Vote to Erect 10,000 Houses in Phila.

Philadelphia, Nov. 19.—The Philadelphia Operative Builders' Association yesterday decided unanimously to inaugurate early next year a house building campaign which will erect Philadelphia at least 10,000 new houses ready for occupancy by early summer. The association includes virtually all of the large house builders who have been active in West Philadelphia and the northwest section of the city in the years preceding the war.

TO BRAND GERMAN DEALERS

MARYLAND EXCEEDS QUOTA

Baltimore, Nov. 19.—Maryland went far over its quota at the wind-up of the United War Work campaign last night. It was announced that \$2,517,000 had been raised as against the state's quota of \$1,500,000. Of the amount raised Baltimore city contributed slightly over \$2,000,000.

WILL KEEP BUILDING ENGINES

Washington, Nov. 19.—It was said yesterday at the railroad administration that no orders for locomotives have been canceled and that there is no intention to withdraw any orders already placed.

Dandruff Surely Destroys the Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it. You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.
