MACKAY ASSERTS BURLESON AWARD IS NOT JUSTIFIED

Head of the Postal Telegraph Company Charges Bad Treatment; to Fight

New York, Nov. 21. — Declaring that "the Postmaster General proposes to make a heavy profit out of the Postal lines," which will be used "to pay his losses on the Western Union lines," Clarence H. Mackay, president of the Postal Telegraph-Cable Company last night stated that he would go to the court of claims to fight the government operation compensation award announced to-day from Washington.

"For years the Postal Company opposed Mr. Burleson's schemes for government ownership," said Mr. Mackay's statement, "and apparently it is now singled out for persecution."

In reply to the postmaster general's assertion that the figures furnished by the company to the wire control commission and Interstate Commerce Commission varied so that it was impossible for him to accept the company's proposed rate of compensation, Mr. Mackay said, "We think we have been very badly treated, especially as there is nothing complicated about our accounts. Professor Friday, the expert of the post office committee, made a special trip from Washington to look into them and he found nothing to criticise. In addition to this we have the certificate of Messrs. Barrow, Wade, Guthrie and Company, chartered accountants of New York and London, that our profit for the year 1917 was $4,269,547.

"The post office committee knows that these figures are correct, and yet they offer us only half of that amount, while on the other hand they have given the Western Union Telegraph Company their full 1917 earnings, and some more. Mr. Burleson denies this, but we have absolutely reliable information that it is true.

"We have been badly treated, but we shall continue the fight."

Eight Billion in Bonds to Issue in Year 1919

Washington, D. C., Nov. 21.—Secretary McAdoo and members of the Capital Issues Committee yesterday agreed the committee should continue indefinitely its functions of supervising proposed issues of stocks and bonds for capital purposes, as a measure of rationing capital in preparation for future war loans. At the same time it became known that the Treasury plans tentatively to float about $8,000,000,000 more securities during 1919 and hopes to get at least $2,000,000,000 of this sum from war savings.

Despite the decisions to continue the activity of the Capital Issues Committee in an effort to suppress fraudulent securities which promoters would seek to exchange for Liberty Bonds held by small purchasers, considerable doubt over the future status of the committee still exists in the mind of Secretary McAdoo and other Treasury officials, it was said.

Two Clever Dancers in "Yo u'll Like It," Coming to the Orpheum on Tuesday

What promises to sweep the country in a more sensational manner than the song "Oh, How I Hate to Get Up In the Morning," has sprung to life in Camp Dix, and will be the feature song of the Camp Dix musical show "You'll Like It," which comes to the Orpehum Theater on Tuesday. This song is "You Get Used to It—After a While," the Army's great cure-all expression, and it was written by Charles Bayha, the well-known song writer, who is a Knights of Columbus secretary at Camp Dix, and who was interested in the production and success of the camp show.

This is the first Army song which has been composed by this popular song-writer, who has been responsible fro such hits as "She Lives Down in Our Alley." "Come Out of the Kitchen, Mary Ann," "He Comes Up Smiling," etc., and this promises to be one of his greatest successes.

"A Little Girl in a Big City"

The veteran actor, James R. Field, who portrays the character of Owen O'Conner, the embittered old landlord of a cheap lodginghouse, is said to easily carry off first honors in the performance of "A Little Girl in a Big City," which is at the Orpheum to-night.

Through the entire second act he is the dominant figure. Grasping, avaricious, not above petit larceny, harsh in his judgments of women, mean in every way, his personality is loathsome in every sense during the first part of the action. Then comes a thrilling scene, in which he realizes the girl is fighting to keep her good name; is sincere. O'Connor drives the man from the room, who would ruin the girl, then he soothes and comforts her by telling in effective monolog, the story of his own daughter, Eileen's downfall. He holds his audience in absolute silence until the end, and then applause comes that would be gratifying to anyone.

"The Million Dollar Doll"

A jingling, jolful comedy, with sparkling music and pretty girls, is what is promised all who see "The Million Dollar Doll" at the Orpheum, Friday evening and Saturday, matinee and night, when she makes her appearance in this city. A company of recognized musical comedy stars, and a "real beauty chorus," which sings haunting tunes, with pretty sensational dances, in costumes of gfireat beauty, that are a perfect riot of color, will present this new musical comedy. The approval of the public has been accorded it, and the verdict, wherever this comedy has been presented, has always been most favorable.

At the Majestic

A change of program takes place at the Majestic to-day, with a spectacular "girl" act as the headliner. The title of the musical comedy offering is "Mr. Inqisitive," and is presented by Earl Cavanaugh and a company of talented musical comedy entertainers. The remainder of the bill is as follows:. A big comedy variety offering entitled "Her Only Chance;" Brown and Demont, clever duo in a song and patter skit of the flirtation variety; McLure and Dolly, entertainers of comedy and song, and Ardo, novelty juggler.

At the Colonial

The beautiful star of the stage and screen, Constance Talmadge, is the attraction at the Colonial Theater to-day, in the Select picture, "Mrs. Leffingwell's Boots." Miss Talmadge, charming and talented as the star of this production, gives an excellent portrayal of the leading role. As always, Miss Talmadge endows the part with much grace and charm, and she acts in that finished manner that is so much appreciated by a moving picture audience. Friday and Saturday, the well-known star, Earl Williams, will be the attraction in "A Diplomatic Mission."

At the Regent

To-day is the final showing at the Regent of the up-to-date picture, "Modern Love," in which winsome Mae Murray takes the leading role. This is a strictly up-to-the-minute picture, in which a young girl is imposed upon by a fellow without scruples, but who finally comes out with flying colors by winning the confidence and the hand and heart of a young man worth while.

To-morrow, Mary Pickford, the most famous, as well as the most beautiful of all movie stars, is appearing in the leading role of a story taken from one of the latest novels, "The Eagle's Mate." This is a return engagement of this picture and this fact alone makes it stand out as one of exceptional merit.

Movie fans of Harrisburg, how do you like this line-up of screen stars, motion picture celebrities and noted producers? Just read the list: Mary Pickford, Dustin Farnum, Louise Glaum, D. W. Griffith, Fannie Ward, Juanita Hansen, Charlie Chaplin, Frank Keenan, Knox Price, Clara Kimball Young, Mildred Harris, Polly Moran, Sessue Hayakawa, Nat Goodwin, Cecil B. DeMille, Bessie Barriscale, Charles Rey, Tsura Aoki, Blanch Sweet and Mack Sennett!

"How Stars Twinkle Away From the Studio" is the title of the film in which all these wonderful screen notables have been gathered together, which is showing at the Victoria to-day, to-morrow and Saturdoay.

Sweets For Pershing Son's Christmas Box

Lincoln, Neb., Nov. 21.—Warren Pershing, little son of General John J. Pershing, commander-in-chief of the American Expeditionary Forces in France, took into consideration the average soldier's penchant for sweets when he sent his father's Christmas presents this season.

The general's Christmas Box, which has gone forward from the boy's home in Lincoln to New York for shipment to Europe, contained a layer of chocolates, a layer of candied fruit, a knife, three linen handkerchiefs and a pair of silk socks.

The parcel conformed with all of the Government's regulations regarding the size of Christmas packages destined for men overseas.

For Indigestion Try Bi-nesia

It's Better Than Drugs.

Many people just now are complaining of indigestion, the most commonly met symptoms being a burning sensation in the pit of the stomach; the belching of gas or wind; acid salivа rising to the throat; flushed face and heartburn. Contrary to general belief these symptoms do not always indicate any constitutional fault in or weakness of the digestive apparatus. In fact, in nine cases out of ten it will be found that the trouble arises solely from an excessively acid condition of the stomach and consequent fermentation of the food contents. Medicines and artificial digestives are not only unsuitable in such cases but they may do positive harm because they do not neutralise the acid which is the root of the trouble. For this purpose the best thing to use is a simple, harmless neutrate, such as the pure Bi-nesia now so easily obtainable of any good druggist. Readers who are troubled with any of the symptoms named above should get a supply of Bi-nesia and take a teaspoonful in a little hot water after meals. It will instantly neutralise the harmful acid and prevent food fermentation and may probably also prove that the trouble which appeared so serious was nothing more than an accumulation of acid in the stomach after all. Try it and see.

THROUGH ANOTHER WAR

—O. K.

King Oscar cigars were born 27 years ago.

They were mere kids whan they went through the Spanish American war, but they came out of it the same way they entered—not a scratch.

When this present war broke out King Oscars went into it sound and strong.

But it wasn't long before increased costs of manufacture demanded that we maintain quality and increase the price, or maintain price and sacrifice quality.

We made up our minds we wouldn't mutilate these good old soldiers who had been regulars for 27 years.

So we increased the price.

And King Oscars have come through this war with the same quantity of the same quality that has characterized them in the past.

The price is a little higher—7 cents now—but King Oscars are the same delightful Havana filled, Sumatra wrapped, satisfying smoke they have always been.

K. O. has come through the biggest war in history O. K.

They are waiting for you in the dealer's case just around the corner. 7 cents per, and a satisfying smoke.
