NEEDLEWORK GUILD COLLECTING GARMENTS FOR POOR PEOPLE

Charitable Gettysburg Organization Makes Annual Contribution Through Its Members; New Clothing Only Given Out; Winesap Apple Weighs Over Pound

Gettysburg, Pa., Nov. 23.—The Gettysburg branch of the Needlework Guild is now busy making its annual collection of garments to be used in helping to clothe the poor during the cold months of the winter. This organization is different from others of a like character in the town in that only new clothing is used. The one great requisite for membership in the guild is that one must contribute at least two new garments, such as suits their pleasure, a year. Hitherto the Gettysburg branch has devoted its supplies entirely to local needs, distributing them through the district nurse, and it has never had a surplus.—W. C. $38,000 DRAWN FROM WAR CHEST

Tyrone, Prepared For Emergency, Did Not Need Campaign to Raise Fund

CHECK WRITTEN FOR SUM

Big Victory Celebration Arranged For Thanksgiving Day

Tyrone, Pa., Nov. 23.—It was not necessary to get to work this week on the drive for the National War Work campaign, as a war chest was provided by this borough for such a purpose, and a check written was all that was needed to put Tyrone over the top in this affair. Final announcement was made at this time of the total amount subscribed to the war chest as being $38,000. This far exceeded all expectations, for, whereas $25,000 was wanted it was thought possible to get about $30,000, and the generosity of the citizens in writing themselves up for $38,000 was an indication of what Tyrone can do.—The "flu" has almost departed, as only forty-five cases are left within the borough limits, many of these of a very mild nature. HAIR COMING OUT?

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of Danderine at any drug store, for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair stops coming out and you can't find any dandruff.
