"Always Reliable"

Another Thanksgiving! With a deeper meaning — A Thanksgiving of gratitude and appreciation for the valorous manhood of America - Thanks that we live in the "Land of the Free" and the "Home of the Brave."

a feast of joy for strong hearts and strong souls of our fearless and victorious fighting Yankee sons, who by their unselfish sacrifice, brought honor to our beloved land.

What a debt of gratitude we owe to the courageous men who were arrayed against and dethroned the demon — So that WE might LIVE on and perpetuate the principles instilled in us by our forefathers. Let this year be a real Thanksgiving year for everyone of US — The noise of battle has died away — "Those who won" and "those who lost" are preparing to go home for the well-earned rest — Are we ready to receive the victors? Well I guess we are!

This "Live Store" also has every reason to be thankful to the buying public for the very generous patronage of the people for past years, and particularly this year - We have accomplished much with YOUR help and co-operation and as we draw near to the close of our most successful year we feel that we want to show YOU and YOUR friends our appreciation by publicly thanking you in this way.

We will be closed Thanksgiving day, you can be assured that we will be busy tomorrow, Wednesday, and after the festivities are over Thursday, we'll be ready to serve you again - Our hearts and minds will then turn toward Christmas and the way this "Live Store" has been favored in the past gives us every hope that this will be the greatest Christmas we have ever had.
