The streets were filled with the charred bodies of murdered Jews, many of whom, in the frenzy of despair, had leaped from the burning buildings, which were surrounded by Polish troops. The Polish authorities were indifferent and declined to take measures to halt the slaughter. WINS APPLAUSE

pheum in "The Rocky Road to Dublin"

Barney Gilmore, the noted Irish actor, cast in the leading part in Washington, Nov. 29. — A long "The Rocky Road to Dublin," pre-sented at the Orpheum yesterday

manner of presentation, as a "Tender-Hearted Man," adds immensely to the humorous effect.

The Merchant Company offers a light sketch on matrimonial misadventure which is highly entertaining. The act has the happy combination of good scenery and good acting. Some of the popular musical numbers are: "Just You and I and the Baby," and "If You Have to Take a Wife, Take Mine!"

Another act which is well received is Embs and Altons presenting new songs. The singing is good, to say the least, and the act carries with it a certain air of refinement that is noticeable. Rialto and Lamont, variety artists, presents a real variety of juggling, music and humorous character acting, while the Kalahuhis Entertainers offer a Hawaiian diversion that is very enjoyable. Holiday crowds kept the theater filled all last evening.

T. R. Sends Thanks

Lebanon, Pa., Nov. 29. — Colonel Theodore Roosevelt, former President of the United States, has sent a letter of appreciation of the act of residents of Quentin in naming that town in memory of his son, the late Lieutenant Quentin Roosevelt, the American flying ace, who was killed in France.

Sentiment at once crystallized on the name of Quentin, and at the request of Washington Camp, No. 70, P.O.S. of An. Congressman A. S. Kreider, of Anniville, used his influence in having the Post Office Department make the change. Tale, used his influence in having the change.
