## FOOTBALL BATTLE DE LUXE TODAY WHEN TECH CLINCHES WITH STRONG LEBANON TEAM Best Football Battle SNOODLES -.of the Season Today

This afternoon's football battle on the Island betwen Tech and Lebanon High schools, promised to be the most exciting contest of the season in this neighborhood. Readers of the Telegraph are familiar by this time with the record of our great school bunch; how it is claimed for them as state championship and how wise ex-perts believe they can wallop teams of the caliber of Bucknell or Gettys-burg. Also, every one knows what hard luck the Tech team has had in being compelled to forego nearly their whole schedule. This situation is ro sponsible for the school now being "in the hole" financially to the extent of \$500, and hence it is the duty of everyone to help out with his coupon over there to-day. Nearly every school and college in the country has suffered this year. — Teamon sot in town early to-day in the hole with one wearly to-day with looked to be the goods. school and college in the country has suffered this year. Lebanon got in town early to-day and a big crowd of enthusiasts from over the Rhine accompanied a team which looked to be the goods. In the yean was the renowned Hobey Light, s formerly of U. of P. and in early days a student at Lebanon High. With him were Dell Pratt, famous coach, and Park Wilder, head coach. The array was formidable, but Tech was not a larmed. Not this season has the team been forced to its supreme effort. 2:50, and before that time Tech and perpeted even though the date had set a tuden so recently. The teams lined up like this:

"The football squad gets little or no encouragement and the players cannot be blamed if they don't show the fighting spirit. Before they can be expected to display the old pep they must have the support of the entire student body." The lineup and summary: READING Arhistrong, le. Julian, le. ACADEMY Reed, It. Michauz, It.
