HEADS SYNOD

[Continued from First Page.]

REV. S. W. HERMAN

ports were to the effect that the
 benevolent contributions of former
 years were exceeded by a wide mar-
 gin and extensive improvements in
 church property throughout the city
 were reported.

An unusually striking feature of
 the session was reported of work
 done among the men in the Army
 and Navy service. Twenty-five hun-
 dred young men from the Lutheran
 churches of the district are in the
 service. Of this number approxi-
 mately 900 men are from the Har-
 risburg conference.

Two Harrisburg churches ac-
 cording to the reports, have exceed-
 ed all previous records for contribu-
 tions to benevolent objects. These
 were Zion Lutheran and Memorial
 Lutheran churches.

A number of important actions
 were taken by the synod. Ministers
 who leave the ministry will be re-
 quired to deposit their certificates
 during the period of the peace
 conference was urged. The
 question of making the presidency
 a salaried office was referred to a
 committee and will be taken up at
 next year's session. A committee
 was appointed to revise the constitu-
 tion in harmony with that of the
 new United Lutheran church. A
 motion was passed to increase the
 salaries of ministers to \$1,500 a year
 and parsonage. Dr. Herman was
 named as chairman of the nominat-
 ing committee for the coming year.
 The Rev. H. W. A. Hanson and the
 Rev. A. M. Stamets, both of Har-
 risburg were named as associates. Dr.
 Herman as a member of the exam-
 ining committee will conduct ex-
 aminations in the Augsburg Confes-
 sion and the English Bible. Other
 Harrisburg names on the commit-
 tees include:

Committeemen
 Synodical missionary committee,
 the Rev. L. C. Manges, the Rev. S.
 W. Herman, Luther Minter.

 eration of Pennsylvania, the Rev.

 mittee, the Rev. G. N. Lauffer, of

 tionments, Dr. L. C. Manges, chair-
 man.

"Pop" Sayres to Address
Sunday Y. M. C. A. Rally

Charles W. Sayres, boys' work
 secretary of the Lancaster, Y. M.
 C. A., returned overseas "Y" ser-
 vatory, will be the speaker at the
 Sunday afternoon men's meeting at
 the Central Y. M. C. A. the coming
 Sunday. Mr. Sayres, better known
 in Lancaster and among the boys
 over there as "Pop" Sayres, was at-
 tached to the United States Marines.
 Music for the meeting Sunday will
 be furnished by the Stevens Mem-
 orial Orchestra.
 "Pop" Sayres has had experience
 as an overseas "Y" secretary in a
 rather unique way, he having seen
 four distinct types of service. First
 he was placed in the work Sher-
 wood Eddy pleases to call the ser-
 vice in the "bull ring." This refers
 to the place back of the lines where
 soldiers underwent their last strenu-
 ous training before going against the
 Huns. He was in the trenches for
 forty-two days, eight days in open
 warfare and then spent time in a
 gas evacuating hospital ministering
 to soldiers recovering from injuries.
 The meeting begins at 3.30 o'clock
 and is free to men. Fathers have
 been invited to bring their sons,
 provided, however, that boys under
 twelve years of age are left at home.

SAYS COLD WEATHER
BRINGS RETURN OF
INFLUENZA

Public Must Be Careful To
 Avoid A Second Epidemic.
 Easier To Prevent Than
 Cure. What To Do.

Encouraging reports of the fever
 cases of influenza in this vicinity
 should not allow us to relax our
 vigilance or to become careless in the
 belief that the danger is all over,"
 says a well known authority. With
 the coming of cold weather there is
 apt to be a return of this frightful
 epidemic and its seriousness will
 depend on the extent of the precau-
 tions taken by the public, to prevent
 infection.
 When the air is full of influenza
 germs, you may be suddenly
 breathing them into your nose and
 throat. But their danger may be
 avoided and you may make yourself
 practically immune to infection if
 you destroy the germ before it actu-
 ally begins work in your blood.
 During the recent serious epidemic
 which hit Harrisburg so hard, most
 successful results were obtained by
 many through the simple breathing
 into the nose, throat and lungs of
 the medicated oil of Hyomei.
 Probably no better, safer or more
 sensible precaution against influ-
 enza, Grippe, Coughs, Cold, Bron-
 chitis or Catarrh of the nose and
 throat could be employed than to go
 now to the nearest drug store and
 get a complete Hyomei outfit con-
 sisting of a bottle of the pure Oil of
 Hyomei and a little vest-pocket hard
 rubber inhaling device into which
 a few drops of the oil are poured.
 Carry this Inhaler with you, dur-
 ing the day and, each half hour or
 so put it in your mouth and draw
 deep breaths of its pure healing
 germicidal air into the passages of
 your nose, throat and lungs to de-
 stroy any germs that may have found
 lodgement there. This simple pre-
 caution may save you at serious ill-
 ness and the loss of several weeks'
 work. It is pleasant to use and not
 at all expensive as the inhaler will
 last a lifetime and further supplies
 of the Oil of Hyomei can be had at
 any drug store for a few cents.
 Hundreds of people in this vicinity
 used Hyomei in this way during the
 recent crisis and have saved danger.
 They should not neglect it now for
 the danger is by no means over.

MRS. CAROLINE A. FREMELL
 Mrs. Caroline A. Fremell, widow
 of Theodore A. Fremell, died Thurs-
 day morning in her eighty-second
 year. She is survived by four daugh-
 ters, Mrs. Merrill C. Crap, Woon-
 socket, R. I.; Mrs. Edward C. Willis,
 Mrs. William A. Smith and Mrs.
 Charles C. Hoffman, of this city, and
 two sons, Charles and Wallace Fre-
 nell, Annapolis, Md. Funeral ser-
 vices will be held from her late
 home, 2124 North Second street on
 Monday afternoon at 2 o'clock. Ser-
 vices and burial will be private.

DUNDOFF JURY
IS NOW COMPLETE

morning, and two were excused
 because of illness. The majority of
 the jurors challenged for cause
 said they had conscientious scrup-
 les against capital punishment and
 would be influenced in returning
 verdict. Some of the jurors also
 said they had formed and expressed
 opinion as to the guilt or innocence
 of Dundoff and were not accepted.
 Dundoff, who is 29 years old, is
 charged with shooting James Wylie,
 alias James Moore, alias James
 West, but commonly known in
 Steelton as "Blackberry." It is
 alleged that Blackberry came into
 the Dundoff store at Franklin and
 Myers street, and started arguing
 about change. In the course of the
 argument it is alleged that Vasil
 shot Blackberry while the latter was
 fighting his father. The shooting
 occurred about noon, September 13.

PROFITTEERING TO
BE HARD FOUGHT

[Continued from First Page.]

District Attorney Michael E. Stroup,
 assisted by W. Justin Carter, is pro-
 secuting the case. William H. Earn-
 est and Oscar G. Wickersham are at-
 torneys for young Dundoff.
 When arraigned in court late yes-

terday afternoon and asked whether
 he pleaded guilty or not guilty, Vasil
 in a low but steady tone replied: "Not
 guilty; defending my father, my
 mother and myself." Seated beside
 him yesterday and to-day were his
 father and mother, Mrs. Jean Dundoff
 and an uncle, Tasca Dundoff. A num-
 ber of friends of the family was pre-
 sent in court also. The Dundoffs are
 well-known in Steelton and Vasil
 has many friends.

Colored Girl is First Witness

Clara Valentine, a 13-year-old col-
 ored girl, was the first witness. She
 said that when she came into the
 Dundoff store at the corner of Frank-
 lin and Myers streets she went to
 the second storeroom, where meats
 are sold. While there she said she
 heard Vasil and Blackberry arguing
 over change and at last heard Dun-
 doff order the colored man from the
 store. She said Vasil's father then
 came into the rear room and put
 Blackberry out on the street. She
 ran home then, she told the jury, and
 did not see the shooting. District
 Attorney Stroup said he would call
 more children to the stand who
 had been in the store at the time. They
 are Dorothy Hartman and Harvey
 Wimer.

in some quarters to profiteer. It is
 to prevent such action that the food
 administration will bend its ener-
 gies with unabated zeal.
To Fix Prices
 The "fair food" prices, made up
 by a representative committee of
 grocers with the help of the coun-
 ty food administration, will remain
 in force indefinitely. Grocers are
 obliged to conform to the price regu-
 lations represented in the maximum
 volume of the price list. House-
 holders have been urged to compare
 their grocers' prices with the fair
 food prices printed every Tuesday
 and Friday in another column of the
 Telegraph, and see that they observe
 them. When a grocer is known to
 charge more for a commodity than
 the food administration has allowed
 in the volume of the price list, it
 is reported by the instance to the
 food administration office in the
 Dauphin building, and the grocer
 will be called upon for an explana-
 tion.
