

Lebanon County Man Is Found Guilty of Threatening President

Federal court adjourned yesterday for a weekend recess after disposing of a mass of criminal business during the past five days. The case of Harry Arthur F. Dushore, Dushore, Sullivan county, charged with failure to register, was before the court today. It was alleged there are two men with the same name in the same township. It was further stated that the defendant did not know his age, understanding that he was under the draft age. After Judge Witmer's charge the jury brought a verdict of "not guilty."

Hard Luck Follows Chambersburg Officer

Chambersburg, Pa., Dec. 6.—Major Lester Huber, deputy sheriff, is the most disappointed man in Franklin county. He had been captain of Company C, and was then major of the Eighth National Guard and then major of the 112th Infantry. At Camp Hancock he was discharged for physical reasons. He reapplied for major in ordnance but only got his commission last night. It was issued September 13 and sent to the Adjutant General's office in Harrisburg, and they sent it to France. It got here last night. The first intimation Major Huber had of its existence.

TEACHERS NEEDED

Teachers are needed to fill vacancies at Hummelstown and at Hershey. Prof. Frank E. Shambaugh, county school superintendent, announced today. He also said that many of the county schools will have much shorter Christmas vacations to make up time lost during the epidemic quarantine. It is likely some of the schools will be closed only one day of the year in the season. In the upper end of the county a few of the buildings are not opened yet because of the epidemic.

GERMANS SHIFTING GUILT FOR WAR

[Continued from First Page.] and under the imperial edict of an autocrat does not change their nature. "Is no one responsible? Is no one to be called to account? Is there to be no punishment? Surely, that is neither God's justice nor man's. The men responsible for this outrage on the human race must not be let off because their heads were crowned when they perpetrated the deed. "The British government referred the question of the criminal culpability of the Kaiser and his accomplices to their law officers some weeks ago. They invited a body of jurists in England to investigate the matter and they have unanimously come to the conclusion that the Kaiser and his accomplices in the making of this war ought to be tried by an international court. They also reported strongly in favor of the punishment of those guilty of murder on the high seas and the abominable ill-treatment of prisoners. "The British government will use its whole influence at the peace conference to see that justice is executed. "After what has happened in the

last four or five years it is impossible to entertain in our midst a population of which has spilled and ploried and assisted Germany in forming plans for the destruction of a country which offered them hospitality. They thus have forfeited any claim to remain. "Further, it would lead to inevitable dritration and disturbance if Germans who have been fighting us for four years came here to take the bread out of the mouths of the men whom they for four years sought to destroy. All the European Allies have accepted the principle that the Central Powers must pay the cost of the war up to the limit of their capacity. The Allies propose to appoint a committee of experts to examine the best method of exacting the indemnity."

Amsterdam, Dec. 6.—Documentary evidence of the ex-kaiser's guilt in urging and planning the war has been found by the Berlin government in its search of the imperial archives of the Berlin castle, it is announced from Berlin.

REPUBLICANS FILE ACCOUNTING

Expense Account Entered at the Capitol Sets Forth Im-mense Campaign Work

The most complete statement of a campaign ever entered at the State Capitol was filed late yesterday afternoon by Charles Johnson, treasurer of the Republican State Committee. It summarizes the business of the campaign, the most extensive on record, showing contributions of over \$260,000 and expenditures with \$18,000 of that sum. Notes amounting to \$37,000 were paid off. The Democratic State Committee statement shows that the state machine bossed by Palmer and McCormick owes \$8,000 in notes, but many think it difficult to see for what the Democratic state organization spent so much money this year as it was unusually quiet except when fighting its own candidate for Governor. Mr. Johnson's statement is a bulky affair and shows many details. The state candidates contributed as follows:—William C. Sprout, E. E. Beidelman, James F. Woodward and Anderson, each, \$2,500; Thomas S. Crago, \$1,500 and M. M. Garland, \$1,000. The committee also received \$2,500 each—Charles E. Coyne, candidate for Judge of the Superior Court.
