STEGER

Finest Reproducing Phonograph

The Art experience and wisdom which created the Steger Piano have been devoted to the production of The Steger—the finest reproducing phonograph in the world. Its tone chamber, and patented Steger tone arm, which provides the correct pressure for different makes of records, insure faithful reproduction of every tone and

shade of sound. All the world's greatest artists sing best for the Steger. It plays all disc records CORRECTLY; there are no parts to change. Hear and play it yourself at Yohn Brothers.
