Six floors filled with Gift Suggestions

With only twelve shopping days until Christmas, time is an important factor. The holiday "rush" is here and you will want to conserve your time to the best advantage possible.

Here you will find six large floors under one roof. Just walk up one aisle and down another and on to the next floor up, or down to the basement. As you go note the tens of thousands of articles that suggest themselves as appropriate for gifts. Some one or more of these innumerable articles will surely offer a solution to your gift problem. The vast purchasing organization with which this store is associated offers exceptional opportunities for selection of gift articles from the world's leading markets at prices most advantageous. Quality merchandise is most acceptable for gifts as it gives longer service and therefore more highly appreciated by the recipient.
