

### PICKPOCKETS IN HOLIDAY CROWDS DO BRISK TRADE

#### Chief of Police Warns Shoppers to Guard Against Robbery

With large crowds gathering downtown, in the streets and in department stores, doing their Christmas shopping, the necessity for caution against petty thieves and pickpockets is greater than ever, according to Chief of Police J. Edward Wetzel.

In order to help shoppers circumvent the efforts of thieves, the chief this morning issued the following list of "don'ts":

On leaving your home see that rear doors and windows as well as the front entrances are properly secured.

Don't place a card on your door or window announcing the time of your return.

Don't carry your handbag by the chain or strap, but loop the chain or strap around your wrist and keep your hand over the clasp which opens the bag.

Don't place your handbag or purse on a store counter and go so far. Don't wear valuable jewelry when shopping.

Don't purchase jewelry on the street, no matter how much of a bargain it appears to be.

Don't make any change for strangers in the street.

Don't leave your automobile or carriage in the street without a caretaker who is known to you, and don't leave any article of value in the vehicle while you are absent.

Don't pay for C. O. D. parcels until you have examined the contents and found that the goods have been ordered by you.

Don't leave a messenger alone in a package if he has delivered goods, while you go to another part of the house; let him wait in the vestibule.

Don't deliver goods which have been packed in boxes to any person who calls and claims that a mistake was made in the delivery, unless you first telephone the store and have the story verified.

Don't pay attention to persons who claim they found your pocketbook, unless you are sure you lost it, and don't give them a chance to steal your pocketbook when you open your bag to look for it.

Don't permit messengers to deliver packages in the street to persons who claim the goods are for them, and don't permit them to enter your apartment or houses which are apparently vacant.

Don't deliver goods to express agents or messengers until you make positive that they are the persons they represent themselves to be.

Don't allow anyone to place a newspaper close to your face in a public conveyance or elsewhere, unless a person is under your watch and chain of scarf pin.

When in a crowd or crowded conveyance and you find yourself being shoved and jostled about, make a search of your pockets, and if you find anything, also make an outcry at once, so that if the persons that jostled you are the ones who committed the theft, it will be possible to apprehend them before they can get away.

The detectives, special officers and uniformed men of this bureau will do all they can to protect you from thieves, but you must assist the police by doing everything possible to protect yourself and your valuables.

### THE DOCTOR'S ADVICE

The questions answered below are general in character, the symptoms or diseases are given and the answers will apply in any case of similar nature.

Those wishing further advice, free, may address Dr. Lewis Baker, Col. in Charge, 13th Regiment, Dayton, Ohio, enclosing self-addressed stamped envelope for reply. Full name and address should be given, but only initials or fictitious names will be used in my answers. The prescriptions can be filled at any well-stocked drug store. My druggist can order of wholesaler.

and an agreeable, pleasing restoration should ensue to your entire satisfaction.

N. O. G. writes: "These are the symptoms which lead me to think I need medicine for kidneys and bladder: Severe headache, blood-tinged eyes, chills, followed by fever. Frequent desire to urinate, but scanty results of a dull color and bad odor. Also smarting and stinging pains."

Answer: When such symptoms are present, Blomberg Tablets are prescribed to tone up and increase the elimination, neutralize the alkalinity, and produce natural functioning. Get them in sealed tubes with full directions.

Nurse asks: "I suffer from headache and constipation periodically and my blood seems too thick, causing languor and tired feeling. I will thank you to prescribe for me."

Answer: Three-Grain Cougher Tablets (not sulphur) are most effective. In relieving constipation, thinning the blood, and removing the symptoms of languor, it is advised you to begin taking as per direction with each sealed package.

NOTE: For many years Dr. Baker has been giving free advice and prescriptions to millions of people through the press columns, and doubtless has helped in relieving illness and distress more than any single individual in the world's history. Thousands have written him expressions of gratitude and confidence similar to the following:

Dr. Lewis Baker, Dear Sir:—I have been taking the Cadomene Tablets for the past month. They certainly have done wonders for me, as I was so nervous I wasn't able to do my own housework. I was so sick and miserable. Now I can do all my own work and feel good all the time. My daughter and her husband have also been taking them and they help wonderfully.

Respectfully,  
MRS. A. E. HAGER,  
909 London Road,  
Duluth, Minn.

Supt. writes: "I have such a very severe cold and cough and have not been able to get anything to help me. It is weakening to my system."

Answer: Use the following and your cough and cold will vanish and you will soon be strong again. Get a 2½-oz. bottle of Concentrated Essence of Menthol-Lexene and use it every hour or two. This can be taken in pure or made into a full pint of home-made syrup. Full directions as to use will be found on bottle. This is a mild laxative and will drive the cold from the system.

Dandruff asks: "I have tried to cure dandruff itching scalp falling hair and baldness with numerous ointments etc. but in vain. What do you recommend?"

Answer: I have been recommending Plain Yellow Mynol for the past several years and scores of my patients are delighted with the quick, pleasant action of this remedy. In stopping itching, falling hair, dandruff, etc. it gives the hair health, luster and vigor as nothing else does. Obtain in 4-oz. jars with full directions.

Sister writes: "Let me say that my condition puzzles and worries me. In the last year I seem to have been growing old rapidly, though only 33. My food and sleep do not recuperate my strength and energy and, lately I have dizzy spells, trembling headache, loss of appetite, memory and hopelessness. Despondency and worry over my condition are ever present."

Answer: Cheer up, get well and then conserve your vitality by proper temperate living. Obtain Three-Grain Cadomene Tablets in sealed tubes with full directions, use them.

## NEWS OF STEELTON

### CHILD BURNED TO DEATH IN FIRE

#### Big Fire at 679 South Second Street Costs Life of Infant

When the fire companies responded to the call of fire and came to the house of Frank Farina at 679 South Second street, they found the fire had already made great headway, and it required almost two hours to get it under control. Somewhere in the house there was sleeping the two months old infant of Mrs. Farina, who in anguish stood hesitatingly at the door of her burning home. Too excited and nervous to tell the firemen of the child, she herself attempted to enter the house for the child, but was brought back by two firemen. Upon being questioned she made it plain that her infant was in the front room of the second floor. Fireman Lloyd Hartman of the West Side Hose Company immediately entered the building and fighting his way through the flames reached the room, found the child's crib, but the child was not there. After a search in spite of flames and smoke the child was finally found in the middle of the room of the first floor. The child was wrapped in a small blanket, with only its hands and face bare, which had been burned to a crisp. The mother was hysterical.

The building is a double dwelling, the basement being occupied by Thomas Farina, a barber, one side of the house by Lewis Farina, and the other by Frank Farina, in whose part of the house the fire probably started by an overheated stove.

### Frog and Switch Relief Paid \$3,950 in Benefits

During the year the association distributed accident benefits to the amount of \$1,850 and death claims to the amount of \$2,100. The association has almost 500 members.

### RED CROSS WOMEN WORKING HARD TO SECURE HOLIDAY

The local Red Cross rooms are kept busy at the present time and the officers are urging more women to help in the rush of work that must be completed if the women of the local chapter are to have any Christmas holidays. A large quantity of work has been promised for shipping before the New Year and in order to complete it, work will have to be done during Christmas week, unless more workers are secured immediately. A special appeal is therefore being sent out by the officers for women to assist in the work.

### 100 PER CENT ENROLLMENT CARDS TO BE DISTRIBUTED

Announcement is made by the enrollment committee of the Red Cross that it is ready to distribute 100-per cent enrollment posters to business houses, stores, families and departments of the steel plant, in order that the local chapter may be secured. ### OLD AMBULANCE BRINGS \$600 FOR RED CROSS

The ambulance was practically worthless but it brought \$100 from Simon Michels, of Second Street, when it was discovered where the proceeds were going.

### Unknown Man Shoots at Steel Company Watchman

When one of the watchmen of the Bethlehem Steel Company saw a prowling about the plant at the lower end, the other night, he stopped to investigate. He was met with a revolver shot. The watchman immediately gave chase, but was unable to catch the man. He fired several more shots at the watchman, which, fortunately, missed the mark.

### BARRED FROM MEETING

New York—Fred Mitchell was denied the right to sit as representative of the Chicago Club at the annual meeting of the National Baseball League. William Veeck, vice-president, was seated as Chicago's delegate.

### Owner Baker Panned For Releasing Moran

Pat Moran certainly deserves better treatment than has been accorded him by President William E. Baker, of the Philadelphia Club of the National League, says The New York Evening Mail. His unconditional release by the Phillies came as a shock to everyone at the National League meeting at the Waldorf-Astoria.

It is going to be hard for Philadelphia fans to see any justice in Mr. Baker's treatment of the man who won the first National League pennant for the Quaker city and who put the Phillies on a money-making basis. It is hard for anyone else, too, to see any excuse for Mr. Baker's action. It certainly seems to follow that the prize for ingratitude.

It is said by some in defense of Mr. Baker that certain stockholders of the Philadelphia Club demanded the removal of Moran. This is no defense, however, Mr. Baker is president of the club, and if he is going to be forced into taking such an action he should state who is responsible for it. He did not do so.

Like the gentleman that he is, he takes his dismissal with good grace. But he would not be human if he did not feel a sense of bitterness and disappointment at the injustice that has been done him.

There is nothing quite so terrible as ingratitude for. Nor is there any fault so generally prevalent in the seats of the mighty.

### Rev. Henry H. Sangree Dies After a Long and Useful Life in Church

The passing of the Rev. Henry H. Sangree, eldest of the family of the Rev. Milton H. Sangree, whose ministerial activities closed seven years ago with his death, will be significant to many persons in Steelton, who know that he was one of the men to alleviate the situation in Steelton some years ago during the so-called hard times. The Steel Company was compelled to close its doors and to establish free eating places and in every way look after the poor. Mr. Sangree, as pastor of the Fourth Reformed Church, at Second and Market streets, offered his services, and Major Bent, who was then head of the industry, put him in charge of all benevolent activities. When the period of suffering was over the Steel Company was generous enough to offer him a trip to Cuba for recuperation, and sent him on his way with two tickets to Bethlehem with the Bethlehem Steel Company.

### MARGUERITE CLARK IN "OUT OF A CLEAR SKY" AT REGENT THEATER FOR TWO DAYS

Dainty Marguerite Clark, the Paramount star, who will appear at the Regent to-day and to-morrow in her newest picture, "Out of a Clear Sky." Dainty Marguerite Clark, who is beloved by every motion picture fan in the country, has fallen victim to Cupid's darts and has become the bride of Lieutenant H. Palmerson-Williams of the United States Army. Miss Clark met Lieutenant Williams in New Orleans when she went to that city some months ago on her famous Liberty Bond tour which resulted in the sale by her of \$1,800,000 worth of bonds, and he easily persuaded her that, as far as he was concerned, matrimonial bonds with her as his life's associate were infinitely preferable to Liberty Bonds, although he is himself the patriotic holder of these to a large amount. Music especially arranged for this picture, "Out of a Clear Sky."
