

YANKS AND HUNS SEE EACH OTHER ON RHINE BANKS

Coblenz Fails in Respect For Victors; Vaguely Conceals Sneers

Coblenz (by courier to Nancy), Dec. 10 (Tuesday).—Sentries of the American and German armies face each other across the Rhine to-night. From Andernach, northward to the British lines, American forces hold the west bank of the stream. South of Coblenz advanced elements of the American army have reached the river.

It was expected that the movement across the Rhine would be well under way on Wednesday. The First and Third Divisions have been designated to occupy the advanced positions along the thirty-kilometer arc east of Coblenz, constituting the bridgehead stipulated in the armistice. The Thirty-second, Ninetieth, Fourth and Forty-second Divisions will occupy positions in support of the advanced lines. The Forty-second is the Rainbow Division, which includes National Guard regiments from Pennsylvania, New York, Maryland and New Jersey.

The position of the Americans is slightly peculiar. Coblenz was informally occupied by a battalion which arrived on Sunday and which served only as a guard, which probably would have been inadequate in event of serious trouble. German officers are here, treating with the American authorities, and discharged soldiers, still wearing their uniforms, are numerous in the streets.

Dreams Name of Fellow Who Robbed Him of \$130

Bethlehem, Pa., Dec. 3.—A dream in which the name of the person who robbed him in a hotel on the south side of money that he intended to use in paying for a Liberty bond for his son in France, led Levi Fogel, of Lehigh, to cause the arrest yesterday of Benjamin Franklin, of the same place.

SOLDIER KILLED

Washington, Dec. 12.—S. A. Cohen, a negro soldier, said to have been a deserter from Camp Dix, N. J., was shot and killed here last night by military police while attempting to escape after being arrested.

RESTAURANT MEN CALLED UPON TO OBSERVE RULES

Food Administration Points Out That Food Rulings Have Not Been Annulled

Officials of the Dauphin county food administration this morning pointed an accusing finger at restaurant, hotel and eating house proprietors who because of the signing of the armistice have taken off the lid on food conservation. It was pointed out that unless the restaurant men observe the rules closely until they are rescinded, prosecutions will follow.

Only two ounces of bread may be served at a meal, it was insisted. Many restaurant men are ignoring this rule, which never has been rescinded.

Other food regulations which must be enforced until the Federal food administration sees fit to rescind them are the following:

No bread may be served other than wheat bread, and no more, may be served in boarding camps, or where the meal consists principally of sandwiches, or where bread containing more than 50 per cent. of rye flour is used; Toast may not be served as a garniture or under meat; No bread may be served until after the first course, that is, bread should not be put on the table preceding the actual serving of the food; No more than one kind of meat may be served to a person at a meal. This, however, does not mean that hash, soups, meat cakes, meat pies, club sandwiches, liver or chicken with Virginia ham, or other dishes containing more than one kind of meat, may not be served. It does apply to such meats as beef, mutton, pork, poultry or their by-products; Bacon may not be served as a garniture, that is, to make a plate of food look appetizing; No more than one-half ounce of cheese or one-half ounce of butter, may be served a person at a meal. Waste food must not be burned, but should be reduced to obtain fat; food should not be used for display when it is likely to deteriorate and become inedible.

All these rules, it was said, are violated more or less throughout the city, and their enforcement will become more stringent in the future.

LOCAL RED CROSS WOMEN TAKE PART OF SANTA CLAUS

Harrisburg Women See That Boys in American Camps Will Not Be Forgotten on Christmas Day

Again the Harrisburg chapter of the Red Cross is playing the delightful role of Santa Claus. Every boy from Harrisburg in the hospitals at Camp Lee, Virginia, will receive a Christmas box through the good offices of these angels of mercy and good cheer. At the Public Library headquarters Mrs. A. G. Knisely, Mrs. Harry Gross, Miss Minister, Mrs. C. Ross Boss, Miss Elizabeth Knisely and Miss Ruth Payne have been busy for several days preparing these Christmas remembrances for the sick soldiers. Already the names of 100 have been received and their cartons are going forward as rapidly as they can be prepared.

LOCAL RED CROSS WOMEN TAKE PART OF SANTA CLAUS

Harrisburg Women See That Boys in American Camps Will Not Be Forgotten on Christmas Day

soap, a pair of hand-knitted socks, tied with red ribbon and with a little figure of Santa Claus tucked inside, two packs of cigarettes, a box of safety matches, two packs of chewing gum, two packs of hard candy, a bar of chocolate, some chocolate buds and a real pocket knife in addition to some bon-bons with fancy paper hats for the boys to wear at their Christmas celebration. There is also a Santa Claus card.

These boxes are covered with red crepe paper and tied with white and blue ribbons with a Santa Claus sticker, the whole comprising a most attractive Christmas gift.

Anyone who feels interested in these sick soldiers can have a box sent with his or her compliments by enclosing a check for \$2.00 to the Red Cross headquarters at the Public Library.

Military Police Arrest Two Soldiers on Charge of Larceny of Clothes

Tony Semkus, said to be a deserter from the ordnance camp at Marsh Run, and John Thomas, recently discharged from Camp Upton, New York, were arrested last night by Sergeant Hedricks, of the military police, and Detective Speese, of the Harrisburg police force, on charges of larceny.

Thomas was arrested by Hedricks in a Market street restaurant. Hedricks was on the lookout for him, knowing that he traveled with the man Semkus, wanted on the desertion charge. Thomas confessed that Semkus was at the Y. M. C. A., where he had found a place in the basement and was spending the night. A pair of pants he is accused of having stolen from a roomer at the "Y" was found on the Y. M. C. A. roof, Hedricks said, and the coat was found under his person, where he was wearing it under his uniform. Both men were held for action by military authorities.

Jugo-Slav Warships Hoist Yankee Colors; Greet Squadron at Pola

Amsterdam, Dec. 12.—An American squadron has arrived at Pola, formerly one of the principal Austrian naval bases, and has taken over the command of the port. Jugo-Slav war vessels in the harbor have hoisted the American flag, according to a telegram from Laibach, reporting the arrival of the Americans.

E. D. HILLEARY ASST. GENERAL FREIGHT AGT.

Reading railroad. Mr. Hilleary, who has been for the past nine years division freight agent for the Reading at Harrisburg, will be succeeded here by C. H. Morgan, formerly local agent at Harrisburg, and more recently division freight agent at Williamsport. The appointments are effective as of December 1, and Mr. Hilleary said to-day he will take up his new duties as soon as possible, although it is likely his family will remain here until spring.

E. D. HILLEARY

State to Aid Dauphin in Mothers' Pension Fund

A favorable opinion was received by the County Commissioners from the Attorney General stating that the state will contribute its share to the Mothers' Assistance Fund, which is to be accepted here as provided for in legislation enacted in 1915.

About a week ago the Commissioners decided to establish the fund and at that time communicated with the state to learn whether any money would be given as provided by the act. The Attorney General has pronounced to give to the fund in this county \$241.93, the amount being one-half of the appropriation for that purpose this year, plus twenty-five per cent. of the unexpended money. The County Commissioners have appropriated a similar amount and the fund of \$683.86 will be turned over to trustees.

Names of women who are capable of serving as trustees will be submitted to the Governor, so that three from the city and four from the county can be appointed.

In Many Activities Here Mr. Hilleary during his residence in Harrisburg, has been engaged in many civic movements and enterprises. He has represented the Chamber of Commerce at important conferences and has been in all kinds of work, including successfully Loan, Red Cross and Y. M. C. A. campaigns. He is a member of the Harrisburg Club and of the Country Club of Harrisburg. He is a hunter and fisherman and golf player during his brief periods of relaxation and last year was one of the fortunate hunters who brought deer out of the South Mountain. Mr. Hilleary resided at Camp Hill a number of years but for some time has occupied a handsome home near New Cumberland. He is a native of Maryland but lived for years in Philadelphia, coming to Harrisburg from that city where previous to his appointment to the place he is about to leave, he was division agent of the New York Division of the Reading, the Atlantic City Railroad and the Reading territory in the state of New Jersey. He is a lovable man and has hundreds of friends all over Central Pennsylvania.

Not long ago a thrilling feat of bravery was exhibited by one of our boys who charged a trench alone and captured many. Other things being equal—the strongest men survive, and that is why our army surgeons are careful to pick out the men with good lung expansion, keen eyes, and good liver and kidneys. Our men on the firing line represent the pick of American boys. In our four of our boys at home was rejected because of physical deficiency. Many times the kidneys were to blame, but such conditions can now be overcome.

If we wish to prevent old age coming on too soon, or if we want to increase our chances for a long life, Dr. Pierce of the Surgical Institute, Buffalo, N. Y., says that we should drink plenty of water daily between meals. Then procure at the nearest drug store Anuric (a reliable strength). This Anuric drives the uric acid out and cures backache and rheumatism, as well as kidney troubles.

IF YOU HAD A NECK AS LONG AS THIS FELLOW, AND HAD SORE THROAT, ALL THE WAY DOWN TONSILINE WOULD QUICKLY RELIEVE IT.
Hospital Price \$1. ALL DRUGGISTS.

SERVICE COMMISSION WINS
Philadelphia, Dec. 12.—Among the decisions handed down by the Superior Court here yesterday were the following: Bethlehem City Water Company vs. Public Service Commission, affirmed and appeal dismissed; City of Johnstown vs. Johnstown and Stony Creek Railroad Company, affirmed at cost of road Company; Commonwealth vs. Evans, Lancaster judgment affirmed and record remitted to court below that sentence may be carried into effect.

BUSY---VERY BUSY "Thank You!"
