

BUTTER AND EGG PRICES SCORED

State Authorities Take Steps to Put Down How They Have Been Going Up in State

Figures showing a very unusual range of prices for butter and eggs in Pennsylvania and that the average price for milk received by farmers is eleven and a half cents have been issued by the State Department of Agriculture as the result of a survey made by its statistical bureau.

In regard to butter and egg prices the bulletin issued on the subject says: "The average price of butter on December 1 for the state was 59 cents a pound as compared with 48 cents last year. In Fulton county, removed from any large market, the average price was 46 cents a pound this month while other counties show 48, 50 and 52 cents. The highest prices were secured in the districts near the largest cities, where the demand was greatest. Montgomery county shows an average of 70 cents to the pound.

Eggs ranged on December 1 from 52 cents to 75 cents a dozen on the farms with the state average 63 cents. The lowest price recorded was 52 cents a dozen in Green county with a number of counties showing that the farmers were getting 55 cents. Last year at this time the average price of eggs was 46 cents a dozen in the state.

The farmer is receiving from nine to fourteen cents a quart for milk with the average price throughout the state about eleven and a half cents a quart. In communities close to large cities the price is highest but in the sparsely settled sections low prices are governed by the supply and demand. In many sections much of the milk is sold directly by the farmer to large milk distributors or to the creameries and

Use Stuart's Dyspepsia Tablets to Help Your Stomach and Do Not Worry.

"Believe me, I enjoy my meals to the limit. No fear of constipation, either. While I use Stuart's Dyspepsia Tablets to Fall Back Upon."

Dyspepsia, indigestion, weak stomach and similar names simply mean that the supply of digestive juices is inadequate. That is where Stuart's Dyspepsia Tablets come in - by supplying this deficiency.

If you will eat a Stuart's Dyspepsia Tablet after each meal and one just before you go to bed, you will learn that there is no harm in your meals.

The reason is clearly plain. Your system lacks the proper digestive juices to make the food easily digested. Stuart's Dyspepsia Tablets give the stomach and other organs of the digestive apparatus the wherewithal to digest food.

Diphtheria

A sore throat is a good breeding place for Diphtheria germs. Protect your children by never neglecting a Sore Throat. You can never depend upon TONSILINE. Give Tonsiline upon the first appearance of Sore Throat - don't give Diphtheria a chance in that throat in its weakened condition. When TONSILINE is swallowed it comes directly in contact with the diseased surface and induces a healthy condition of the membranes - then the system can better defend the throat if attacked by Diphtheria germs. Keep TONSILINE in the house where you can get it quick when needed. 35c, 60c, \$1.

Among those from this section reported to-day as severely wounded are: Private Ernest J. Worthington, Chambersburg; Private Clyde W. Spidell, R. F. D. 4, Greencastle; Corporal Israel B. Finley, R. F. D. 3, Carlisle; Sergeant George E. Parkett, Waynesboro; Private Charles C. Neff, R. F. D. 4, Shippensburg; Private Charles W. Wright, Newport, and Pri-

HEAVY TOLL TAKEN OF LOCAL YANKS

Private Calvin M. Backenstoe, Enola, Wounded Slightly

Private Willburt Herman, Wounded, Degree Undetermined

Many Soldiers of City and Suburbs Reported Dead and Wounded; Several Recuperating in Base Hospitals

To-day's casualty list, one of the largest ever given out by the War Department for a single day, contains the names of a number of Harrisburgers and others from the immediate vicinity, while the number from this section of the state runs in the scores.

Two are reported dead, Private Charles D. Hauck, Wormleysburg, killed in action, and Private Charles E. Wagoner, Steelton, who was killed in action, while the number of those in this city and surrounding towns who are reported wounded severely or to an undetermined degree amounts to over a dozen.

Among those reported in this afternoon's list is Private Lyon Edward Hinkle, the son of Mrs. John C. Hinkle, 154 Summit street. Private Hinkle, who is a member of Company E, Eighth Machine Gun Battalion, and who is reported wounded, degree undetermined, to-day, was wounded September 12, according to an official telegram to his mother from the Adjutant General received about a week ago. The last word heard from Private Hinkle was dated September 25 and was doubtless written much earlier in the month or even in August. A letter to him was received in Steelton August 5 and was later returned to the United States September 15. Little is definitely known concerning his present condition.

Private Hinkle also has a brother in the service, James W. Hinkle, who was mentioned for distinguished conduct during the fighting in the Marston salient. James W. Hinkle is a member of Company E, Eighteenth Infantry, and was wounded in the arm in September. He was cited for bravery by General Parker August 11.

Members of the Eighteenth Infantry are cited "for distinguished conduct, for advancing rapidly and capturing and holding promptly and surely all obstructions assigned to it while sustaining heavy losses," and among this number so cited is Private Hinkle.

Another Private Hinkle, Franklin Hinkle, of Peabrook, is also reported this afternoon as wounded, degree undetermined. The nearest relative given in the list is Mrs. Elsie H. Hilsler, 28 Butler street, Peabrook.

Reported Wounded

Reported this afternoon among those listed as slightly wounded are: Private Calvin M. Backenstoe, of Enola; Private Backenstoe is the son of Mr. and Mrs. Ambrose Backenstoe, 245 Enola road, and is a member of Company E, Third Hundred and Twenty-eighth Engineers. He was a grafter in May and was later sent to Camp Meade for training.

Private Willburt Herman, son of Mr. and Mrs. H. G. Hornum, 1214 North Cameron street, is reported as wounded, degree undetermined. He is a member of Company H, One Hundred and Tenth Infantry, and was formerly a member of Company I, Eighth Regiment, N. G. P. In a letter to his mother, dated September 31, he wrote that he had been slightly gassed, and it is supposed that this is referred to in to-day's report. In the letter mentioned he stated that he was in a base hospital and expected to be out again soon, as the gas dose was a small one.

Among those from this vicinity reported to-day as severely wounded are: Private John Mihalp, 622 South Third street, Steelton; Corporal John E. Brown, R. F. D. 2, Hummelstown, and Private Paul R. Smith, 538 Walnut street, Steelton. Corporal Lee E. Schmidt, Enola, is also reported severely wounded. He is the son of Mrs. Annie E. Schmidt and is a member of Company B, Three Hundred and Sixteenth Infantry.

The two casualties in to-day's list reported dead, Privates Charles D. Hauck, Wormleysburg, and Charles E. Wagoner, Steelton, appear in the morning's list and were previously made public. Word of the death of Private Hauck, who was killed in action, was received several weeks ago by his sister, Miss Elsie Hauck, from the War Department. He is also survived by a brother, Lloyd Hauck, who resides in Wormleysburg. Private Wagoner, who died of wounds, is survived by his mother, Mrs. Rebecca Wagoner, 19 North Front street, Steelton. Corporal Walter Ebersole, of Mount Joy, was also killed in action. An official telegram yesterday to Mrs. Ruth Shultz Jumper, of Plainsfield, stated that her husband, Private Ralph Jumper, was killed in action.

Rapidly Recuperating

A letter received yesterday by Mr. and Mrs. David B. Barnes, of Steelton, from their son, Private Elmer C. Barnes, states that he is rapidly recovering from being gassed and expects to be sent home soon. Private Barnes' condition is normal, except that his voice is somewhat weak. Private Barnes is a member of Headquarters Troop, Seventy-ninth Division, and was transferred from the Three Hundred and Sixteenth Infantry with which he was formerly serving. His brother, David Barnes, arrived home Sunday from Camp Lee after receiving his discharge. David Barnes was formerly a steel inspector for the British government at the Bethlehem plant.
