Children Love Candy Cascarets

Careful mothers know that Cascarets in the home mean less sickness, less trouble, less worry, less cost. When one of the kiddies has a white tongue, feverish breath, sour stomach or a cold, a Cascaret quickly and harmlessly "works" the poisons from the liver and bowels and all is well again.

TO MOTHERS! While all children detest castor oil, calomel pills and laxatives, they really love to take Cascarets because they taste like candy. Cascarets "work" the nasty bile, sour fermentations and constipation poison from the child's tender stomach, liver and bowels without pain or griping. Cascarets never disappoint the worried mother. Each 10 cent box contains directions for children aged one year old and upwards.
