PRELIMINARY PEACE CONFERENCE IS POSTPONED UNTIL FEBRUARY; PRESIDENT TO MEET LLOYD GEORGE

PAY INCREASE WILL BE TAKEN OFF HUNDREDS OF RAILWAY SHOPMEN

Mistake Made by Administration Means That Harrisburg Railroad Employees Must Give Back Money Advanced to Them. Almost 4800 shopmen employed by the Pennsylvania and Philadelphia and Reading Railroads in the Harrisburg district will suffer a reduction of wages and be obliged to refund some of the money paid to them in increased salaries as a result of the misinterpretation or misapplication of rulings by the Railroad Wage Commission.

87 Per Cent. Hit by Mistake Eighty-seven per cent. of all shopmen of the several railroad systems in the Allegheny region are believed to have been overpaid \$2,500,000 during the time the railroads have been under Government control. Just what amount of this money has been paid to the 4,800 men representing the eighty-seven per cent. of the 5,500 shopmen employed in the Harrisburg section cannot be said now. No definite figures are available, either as to the probable amount of reduction of wages that the employees will bear.

Versailles Tribunal Must Be Made Up of Servants of World, Says Wilson

FRANK CO-OPERATION NEEDED TO INSURE A LASTING PEACE PARIS, Dec. 21.—The preliminary peace conference at Versailles has been postponed until the beginning of February at the earliest, says Marcel Huttenlocher, editor of the Echo de Paris. This postponement is due, he says, to changes in plans because of President Wilson's visit to England and the reconstruction of the British cabinet, which will occupy Premier Lloyd George as soon as the result of the elections is announced on December 28.

WILSON SAYS: The Congress of Vienna was a congress of "bosses." Their own interests were above the interests of the people. Versailles must be a meeting place of the servants of the people. There is no master mind that can settle the problems of to-day. If there is anybody who thinks he knows what is in the minds of all peoples, that man is a fool. It is essential for the future peace of the world that there should be the frankest co-operation and most generous understanding between the two English-speaking democracies. I am confident the big council will be able to reach a just and reasonable solution of the problems presented to them.
