

ONLY ARMISTICE SAVED BERLIN IN FINAL WAR DAYS

British Machines For Bombing Hun Capital Ready For Work in Last Hours

London, Jan. 3.—Major General Trenchard, commander of the independent air force, in his report on the work of that body, makes an interesting revelation of how Berlin narrowly escaped being bombed by a squadron under the Canadian Major, Commander R. H. Mulock, Winnipeg.

"The twenty-seventh group was established in England," says General Trenchard, "under the command of Commander Mulock for the purpose of bombing Berlin and other centers. This group only received machines capable of carrying out this work at the end of October and though all ranks worked night and day to get the machines ready for attacking Berlin, they only completed the work three days before the signing of the armistice."

"Cure Your Rupture Like I Cured Mine"

Old Sea Captain Cured His Own Rupture After Doctors Said "Operate or Death."

His Remedy and Book Sent Free.

Captain Collings sailed the seas for many years; that he sustained a bad double rupture that soon forced him to not only remain ashore, but kept him bedridden for weeks, is a fact known to every doctor and truss after truss. No results! Finally, he was assured that he must either submit to a dangerous and abortive operation or die. He did neither. He cured himself instead.

"Fellow Men and Women, You Don't Have To Be Cut Up, and You Don't Have To Be Tortured By Trusses."

Captain Collings made a study of himself, of his condition—and at last he was cured by the finding of the method that so quickly made him a well, strong, vigorous and happy man.

Anyone can use the same method. It's simple, easy, safe and inexpensive. Every ruptured person in the world should have the Captain Collings book, telling all about how he cured himself, and how anyone may follow the same treatment in their own home without any trouble. The book and medicine are FREE. They will be sent promptly to any ruptured sufferer who will fill out the below coupon. But send it right away—now—before you put down this paper.

Rev. Moyer Labors For Best Results

Rev. H. K. Moyer, 4813 North Fifteenth street, Philadelphia, says he believes in putting his labor to the best use, and he recommends Tanlac as giving him the best of results. "I suffered from stomach trouble," he says. "My system was run down and I had a nervous breakdown. I read about Tanlac and the first bottle quickly demonstrated I was on the right road to recovery. In fact, the first few doses made me feel better. The excessive nervous condition began to subside. My appetite became better and I found I could sleep for a longer period.

The genuine Tanlac, which bears the name "J. I. Gore Co." on outside carton, is now sold here by George A. Gorges Drug Stores, George's Drug Store, Charles F. Keamer, W. F. Stevers and other leading druggists. Tanlac, the celebrated vegetable tonic, stomach and health builder, is also sold in neighboring cities and towns. Ask for it.

Women Workers

In almost every line of war activities the women of this country have done well and have taken front rank for doing work that released thousands of men for service overseas. Some women have been overambitious, and, at the expense of their health, have filled places once occupied by men. Every woman who, because of overwork, has brought on some ailment peculiar to her sex, should depend upon Lydia E. Pinkham's Vegetable Compound to restore her health and strength, as this remedy is now recognized as the standard and has restored multitudes.

"The Live Store"

"Always Reliable"

January Clothing Reductions

The response to our January Clothing Reductions have been remarkable and this very busy store seems to be the favored spot for good clothing — Come in when you will, you can always find the eager clothing buyers spending their money in this "Live Store" because they have learned long ago that they get most for their money HERE.

It's a wonderful thing to have the confidence of the people to as great an extent as is OUR pleasure and you scarcely know there is another clothing store in Harrisburg — If you mention clothing to the average person you meet anywhere throughout Central Pennsylvania they'll immediately think of Doutrichs.

This Is the Store Everybody Is Talking About

Hart Schaffner & Marx Kuppenheimer & Society Brand Clothes

Wish you could see the Soldier and Sailor boys who drop in HERE on their way home—Every day you can count several boys in "khaki" or "navy" who come here for dependable clothes, saying they have heard so much about this "Live Store" in the various camps and cantonments that they want to find out "why" everybody talks so much about Doutrichs.

Its no secret why we enjoy this enviable reputation — When you do business "on the level" by honest representation, square-dealing and guarantee with every purchase, then see that it's "backed up" to the limit as we do HERE, there's nothing else left to do.
