

Roosevelt Will Rest in Country Cemetery

Oyster Bay, N. Y., Jan. 7.—Colonel Roosevelt will be laid to rest, without pomp or ceremony, in Young's Memorial Cemetery, in this village, Wednesday afternoon. He will be buried on a knoll overlooking Long Island Sound, a plot which he and Mrs. Roosevelt selected soon after he left the White House.

In the words of the clergyman who will conduct the funeral service, "America's most typical American" known in every corner of the earth, will go to his grave as a "quiet, democratic, Christian, country gentleman, beloved by his neighbors."

After prayers at the Roosevelt home, at which only members of the family will be present, the funeral service will be held at 12:45 o'clock in Christ Episcopal Church, the little old frame structure which for years the Colonel and his family attended with devotion. The church, founded in 1705 and rebuilt in 1875, will accommodate less than 500 persons, so that admittance will be by card only. These cards, it was announced, will be issued from the Colonel's office in New York, and will be given only to relatives and intimate friends.

Harrisburg's Newest Bakery Has A Good Start

You know, there is a whole lot in the right start. We shall be full steam ahead in a very short time.

- It was gratifying the way things went ahead yesterday in our new bakery. Even with the handicap of facilities not up to the Gunzenhauser mark we made mighty good progress.
Of course, we must remind you, that we have the best bakers in the land. And such bakers as we have can overcome difficulties.
Now, when you stop to consider that we are making splendid progress in the plant as it is at present, and we have the best bakers, think how good our bread will be when we get things going in the right Gunzenhauser way.
We've got baking machinery on the way, some of it is here, some is to follow. When the machinery concern has our plant equipped the way it is planned, and we have the full use of the modern facilities which Harrisburg's Newest Bakery will have, when it is complete in every detail, you may well expect the kind of bread and the kind of service for which Gunzenhauser is known in Lancaster, Harrisburg's neighboring city.
In Lancaster, we built up a big baking business on quality and service. In Harrisburg we are going to strive hard to do the same thing. And by what we have learned of Harrisburgers' taste for good bread, we are sure to find unstinted appreciation of Gunzenhauser's bread here.
We just can't help reminding you again that the very best flour and the very best milk and the very best of everything that is necessary to make good bread is used in the making of Gunzenhauser's bread.
You will like Gunzenhauser's bread. It will not only please your taste for a well baked and delicious bread but it will appease your appetite and it will be extremely nourishing.
