part of the program has been ex-hausted. Prace May Be Last Step It is not expected that the pre-miers' conference will deal with more than the most general principles of th peace settlement. In fact, it now seems doubtful if more than a broad, general agreement will be reached before President Wilson returns to America in February. Out of the coming conferences it is expected that a more or less tentative pro-gram will be adopted, which divide the work of the peace congress into successive steps. The actual making of peace with the Central Powers may be the last of these steps. The procedure now being dis-cussed is roughly as follows. # THE MEN IN **CLASS A1**

CLASS A1 A sound, healthy man is never a back number. A man can be as vigorous and able at seventy as at twenty. Condition, not years, puts you in the diseard. A system weakened by overwork and care-less living brings old age prematurely. The bodily functions are impaired and uppleasant symptoms appear. The weak spot is generally the kidneys. Keep them cleas and in proper working con-dition and you will generally find your-self in Class A. Take GOLD MEDAL Haarlem Oil Capsules periodically and your system will always be in working order. Your spirits will be enlivened, your muscles supple, your mind active, and your body capable of hard work. Dor twait until you have been reject-ed. Commence to be a first-class man now. Go to your druggist at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules. They are made of the pure, original, imported Haar-ler used. Two capsules each day will keep you toned up and feeling fine. Money refunded if they do not help you. Remember to ask for the imported GOLD MEDAL Brand. In three sizes, sealed packages.

Fourth, the conclusion of peace treaties with the Central Powers. Governments Must Satisfy The peace treaties may be left to the last because none of the agree-ments can bind the Central Powers unless, in the meantime, they have established governments which sat-isfy the peace congress as to their stability and purpose of carrying out the treaties made. Lord Robert Cecil, who has arrived here with the first section of the British peace delegation, expressed the opinion to the Associated Press that the definite organization of a League of Nations is indispensable as a first step toward enduring peace and satisfactory settlement of inter-national problems. Lord Robert made it clear that his statements were personal views and not official. Joint Action Necessary
