Say Supreme Court Is Without Jurisdiction in Election Controversy

Elkes-Barre, Pa., Jan. 10.—The five judges of Luzerne county, respondents in the mandamus proceedings started by E. N. Carpenter, Republican, in the State Supreme Court to force the county judges to throw out the soldier vote and declare him the duly elected congressman in the Eleventh district, yesterday forwarded their answer to the prothonotary of the Supreme Court, declaring that body is without jurisdiction. The respondents claim the county court sits as a returning board and that its finding is final. They contend the Supreme Court has jurisdiction only in case of a contest and that there is no contest in the controversy of Carpenter and J. J. Casey, the Democratic candidate who, according to the official returns, was elected. Argument will be heard before the Supreme Court on January 15.

**JERSEY ASSEMBLY IS DEADLOCKED**

Plan Dividing Legislative Patronage May Solve Political Tangle

Trenton, N. J., Jan. 10.—A committee of Republicans and Democrats representing the newly elected members of the House of assembly failed, after a conference here last night, to break the deadlock over the speakership and clerkship of the House resulting from the membership in that body as a consequence of the last election. The fight will now go to the floor of the House when the legislature meets Tuesday and both sides will contend for this important office and the control of the assembly. The situation is similar in the Senate where the Republicans who are in the majority have deadlocked over the selection of a president and the Republican senators are to confer Saturday in an effort to effect a compromise. The House conference committee last night considered a tentative plan for the distribution of about \$28,600 worth of patronage in the way of legislative offices and this plan, which was proposed by Ralph N. Kellam, Republican on Camden, the senior member of the House will probably be accepted by the Democrats as it embraces an equal division of the salaries and positions be-

**"How Can I Praise Tonall Enough?"**

SAYS HARRY MILLER  
"My stomach gave me trouble. My feet swelled from dropsy," says Harry Miller, of New Holland, Lancaster county, a silk-mill worker. "How can I ever praise Tonall enough? As Tonall was so highly recommended to me that I began using it, I now take great pleasure in adding my word of praise to its virtues and medicine qualities. My stomach trouble is gone. I eat with satisfaction. I work with comfort and without any annoyance now. Thanks to Tonall." This testimonial was given July 29, 1918. Tonall is sold at Gorras' Drug Store, Harrisburg, and all leading drug stores in Eastern Pennsylvania.

**VILNA FALLS INTO HANDS OF SOVIETS; POLES EASY PREY**

Without Cannon and Short of Cartridges, They Are Driven Out by Bolshevists; Germans Rob Defeated; Paderewski Is Working to Form Cabinet

By Associated Press  
Warsaw, Jan. 10.—Vilna has fallen into the hands of the Bolsheviki army, several thousand strong, which drove out the Polish militia. A massacre of civilians began at once, partly because the Poles had offered resistance and had arrested or shot the members of the local Bolsheviki committees. The Polish troops, who had no cannon and only a few cartridges per rifle and were under command of General Veitko, retreated to Lanovaro, where they were disarmed by the Germans and sent to Bialystok. There they were robbed by the Germans and were started off for Polish territory. Lemberg, where the Poles are defending themselves against the Ruthenians, appears safe for the time being. The political situation at Warsaw is stationary. As a result of interviews which Ignace Jan Paderewski has had with General Pilsudski, Paderewski has agreed to form a new cabinet, provided the Socialists now holding places in the ministry withdraw from their predominant position. General Pilsudski expressed himself as not wishing to use his authority to force the withdrawal of these Socialists. Paderewski is working hard and making appeals to patriotism. He declares that he himself is willing to sacrifice every ambition if only a cabinet can be formed which the Allies can recognize and extend aid to with safety to themselves, as they fear that a certain sort of cabinet would lead to headlong Bolshevism. General Pilsudski and other leaders are being told very plainly that the Allies will help only when Poland is internally united.

**ROOSEVELT WILL LEAVE THE \$500,000 ESTATE TO HIS WIDOW DURING LIFE**

Silver and Family Plate to Be Divided Among Children; Airplane Flies Low Over Grave and Drops Wreath

Oyster Bay, N. Y., Jan. 10.—Colonel Theodore Roosevelt's will, made in 1912, was read to members of the family at Sagamore Hill yesterday. It probably will be filed with the Surrogate of Nassau county during today. Although the value of the former President's estate was not made known, it was understood to amount to not more than \$500,000. According to Agorney George C. Cobbe, of New York, who read the will, the document provides that the entire estate, with the exception of the family silver and plate, shall be held in trust for the widow during her life, and gives her power to dispose of it by will as she sees fit. In the event she leaves no will, the estate is to be divided in equal parts among the children. The silver and family plate, Mr. Cobbe said, are to be divided among the children, as is a \$60,000 trust fund left to Colonel Roosevelt by his father. The will named as trustees Lieutenant Colonel Theodore Roosevelt, Jr., and W. Emlin Roosevelt, a cousin of the Colonel. Mrs. Roosevelt, who was unable to attend the funeral yesterday, was to visit the grave in Young's Memorial cemetery today, after which she will leave Sagamore Hill for a brief visit to Colonel Roosevelt's sister, Mrs. William Sheffield Cowles, at Farmington, Conn. She will be accompanied by Mrs. Ethel Derby and Captain Archibald Roosevelt. Hundreds of visitors thronged the cemetery yesterday and it was learned that one of the reasons for the stationing of a military guard of honor about the grave was to prevent "souvenir hunters" from carrying away the floral tributes. As the visitors stood about the grave in the afternoon, an Army airplane from Quantico Roosevelt field at Mineola flew low and dropped a wreath, which landed squarely on the grave. Telegrams cablegrams and letters of condolence continued to pour into Sagamore Hill yesterday and Captain Roosevelt said that all which-bore addresses would be answered. He expressed the appreciation of the family for the many messages which gave no address to which a reply could be sent.

**NEW YORK, Jan. 10.—To meet suggestions coming from all over the country from friends of Colonel Theodore Roosevelt who wish to hold memorial services, a movement is under way to provide for such meetings in various cities and towns in this country and in many foreign cities on the same day and at the same time that the formal exercises in Congress are to be held.**

This movement has the approval of the Roosevelt family and of intimate friends of Colonel Roosevelt who have been consulted about it. Congress has not yet had time to make its plans or fix the date, but it is believed the memorial ceremony will take the form of a joint session of the House and Senate, with an address by some speaker yet to be chosen. In order to give time for proper arrangements, the date probably cannot be fixed before two or three weeks hence.
