

TECH OPENS LEAGUE SEASON TONIGHT AT CHESTNUT STREET WITH SOLDIERS

Adventure of a Famous Pugilist Who Now a Letter Carrier in Chicago

That becomes of the famous boxer when he quit the ring for good? It would take a long book to tell in detail but some odd bits crop up on the subject, particularly concerning pugilists who themselves go to pieces.

Who was that fellow that hit Frank asked the bully, as soon as he regained his equilibrium, of Dolan, of the Unity building, that's Frank Garrard. You're lucky he didn't knock the top of your head off.

PACIFIC COAST ISSUES DEFY IN TRAPSHOOTING

Claiming That Troch, Beaten by Heer, Is Best, Demands Another Tournney

That Frank M. Troch, of Vancouver, Wash., is the best trapshooter in the land, notwithstanding his defeat by Billy Heer, is the opinion of the trapshooting fraternity along the Pacific coast.

The sportsmen who backed Troch believe that the rightful home of those Liberty Bonds is on the west coast, and they are confident that if he can bring them back to their proper roosting place.

The Northwest Sportsmen's Association tournament this year will be held under the aegis of the Portland (Ore.) Gun Club at Everding Park, in May, and the feature event once more will be a match between Frank Troch and a trapshooter to be decided by the country at large.

In due course of time the Northwest Sportsmen's Association will issue a deft in behalf of Troch, and under which the name of the conditions under which the match will be shot.

The idea at this time is to issue a challenge to any shooter in the world amateur or professional—for a 500-target event, spread over three days. Instead of the two contestants shooting, however, three other high-class amateur shooters—the best that can be procured—will be placed in the trap, making five men at the traps.

Last year Troch and Heer shot alone. There is a feeling that Troch is a better shooter in a squad than he is in a competition in which only two are shooting. This may or may not be true, but competition in which only two are shooting better when in a squad than when in an individual match. Many shooters are much better in squad shooting than in individual match shooting—and know some others who can break more targets the faster they shoot.

Anyway, the Northwest Sportsmen's Association is going at the event early next week to get a number of stars on the head of Troch before the snow gets off the ground.

Lancaster Gets Cold Feet Declining Tech Game; Soldiers Play Tonight

Tech High School basketball tilters were to open their Central Penn basketball schedule this evening, playing Lancaster High School, at Chestnut Street Hall.

Two weeks ago Reading High School played an alumni team made up of professionals. The Tech management refused to allow Beck to play so long as he participated with the Independents.

Should Lancaster decide not to take a chance, patrons will see just as good a contest with the Marsh Run Army Reservatory team as a substitute. There will positively be a game and Carl Beck will play.

New York, Jan. 10.—Miss Molla Bjurstedt, the Norwegian tennis player, winner of the United States woman's championship annually since 1915, is planning to compete for the English title next summer, it was learned to-day.

The revival of the English tennis championships is expected to attract prominent players from many nations. Miss Bjurstedt will probably face Mlle. Lenglen, the French star, and one or more of the best of the American women players may compete. Similar conditions are expected to exist in the men's singles and doubles titles play if the final peace terms are signed before the opening of the tournament.

C. I. & S. LEAGUE AT LEONARD'S SALES DEPARTMENT

Cincinnati, Jan. 10.—August Herrmann, president of the Cincinnati National League club, announced yesterday that the Cincinnati team would train at home next spring, as the regular season will not start until May.

Glenn Killinger, well-known local athlete, has just received his "varsity" in football at State, where he was quarterback last fall.

Fickes' alleys staged the Lemoine League battle last night, with the result:

Middletown Unable to Locate Son in Service in France

No word has been heard from Lawrence Zeigler, son of Mr. and Mrs. Jerome Zeigler, of North Spring street, who is at the present time located with the American Army in France.

The Middletown Chapter of the American Red Cross, held a meeting yesterday afternoon at the headquarters, in South Union street, with a large number of members present.

The members of the Mothers' Congress of town, will hold a meeting this evening, at 7:30 o'clock, at the home of the president, Mrs. D. P. Deatrick, in North Union street.

The newly-appointed fire chief and his two assistants will appear before Burgess Samuel E. Gingrich, at his office, West Ann street, Saturday afternoon, to be sworn in.

Many boys and girls of the borough are found each night in the North Union street, where the coasting is fine. Many coast also on the West Main street hill, and in the High school grounds.

Mr. and Mrs. Harold Cooper, of Auburn, Me., spent several days here as the guests of Mr. and Mrs. Walter E. Baxters, in West Main street. Mr. Cooper is a junior member of the Wise and Cooper firm of a grade of ladies' shoes, and is at present located at the Ordnance Depot, west of the borough. Mrs. Cooper came here from the South, where she had been spending some time as the guest of her husband.

Names of Aberdeens Purged of All Taint in War Fund Efforts

New York, Jan. 10.—The names of Lord and Lady Aberdeen, mentioned in connection with an investigation by the district attorney's office of an entertainment given here last May for the benefit of the Child Welfare Association of England and Ireland, have been removed by District Attorney Swann, it was announced yesterday from a list of persons suspected of wrongfully collecting funds for purported war charities.

It has transpired that through the war work of the Aberdeens, now in England, more than \$100,000 was turned over to officers of the fund they represented and that the two paid their own expenses after coming to this country for the furtherance of the charity.

Private Delaney Is Home From the Front

Carlisle, Pa., Jan. 10.—After being gassed, suffering from shellshock and spending more than a month at the front, Private Moran of Delaney spent a brief furlough at the home of his sister, Mrs. J. H. Casey, 424 North Pitt street, recently. His mother, Mrs. E. E. Delaney, has made her home with her daughter, Mrs. Casey, since the soldier donned the khaki.

Private Delaney is a member of the famous Company G. He went over the top July 25 and helped to fight against the Prussian Guards when their famous organization was turned toward Berlin.

The Carlisle soldier is now stationed at Camp Meade. He expects to be mustered out in a few days.

AROUND THE BASES

If you have a heart for bird life, put some out in your yard, where the feathery little ones can snatch a bite of fat, which warms their tiny bodies and is a practical lifesaver when snow on the ground and everything frozen. Even sportsmen who are not showing a kind heart for the birds, many of them refraining from shooting quail because they are scarce.

New York's new Governor, Smith, of Brooklyn, made the Gotham boxing fans happy yesterday, saying if the Republican Legislature passed a bill legalizing boxing in the state he would approve it. It is practically certain that all Democrats in both houses would vote to re-establish boxing. There are fifty-five Democrats in the Assembly and twenty-five in the Senate. With the votes of these members certain in support of the measure, it will be necessary to recruit twenty-one Republicans in the Assembly and four in the Senate to put the bill through and pass it on to Governor Smith for his signature.

CHAMPION WOMAN BOWLER

Cleveland, Jan. 10.—What is claimed to be a world record for a woman bowler was made by Mrs. Goldie Greenwald. In three games as captain and anchor bowler of the Eagles women's bowling team, Mrs. Greenwald made 237, 210 and 265 for a grand total of 712.

In the final game she made eleven out of a possible twelve strikes and was only beaten out of a perfect score by a 6-7-10 split in the third frame. Her score of 712 is a record for the alleys; the previous high total, 682, being made by the proprietor with a loaded ball.

Mrs. Greenwald's team ran up a score of 2,313 to 2,745 scored by a men's team opposing them. They took two out of the three games.

Cincinnati, Jan. 10.—August Herrmann, president of the Cincinnati National League club, announced yesterday that the Cincinnati team would train at home next spring, as the regular season will not start until May.

The entire month of April will be devoted to practice among the home team players, but it may be that inter-league games will be arranged with several American League teams.

"I do not see why we should send our team South in April, when the weather is just as pleasant at home as it is in the South," said Herrmann. "It looks like both the National and American Leagues will adopt a 140-game schedule at the joint meeting in New York on January 16 and this will mean that all the teams, except those in seacoast towns, will spend the month of April at home practicing for the opening of the regular playing season. It will mean a great saving to the club owners."
