G. A. R. Post Banquets and Elects 1919 Officers

Mechanicsburg, Pa., Jan. 11.—Local G. A. R. Post and the Woman's Relief Corps had a merry time last evening. Twenty-five comrades, six invited guests with seventeen members of the Relief Corps sat down to a banquet. The Rev. J. Ellis Zell, of the Methodist Church, was the guest of honor. At 7:45 the Post had a business meeting and elected officers as follows: Commander, Samuel S. Coover; senior vice commander, J. D. Blair; junior vice commander, J. C. Reeser; chaplain, Harry Wetzel; adjutant, F. K. Plover; quartermaster, W. E. Strook; surgeon, Henry Moyer; officer of the day, S. S. Diehl; officer of the guard, Joseph Bricker; inside guard, B. F. Oliver; outside guard, B. F. Oliver.

Catarrh Cannot Be Cured by LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE will cure catarrh. It is taken internally and acts through the blood on the mucous surfaces of the system. HALL'S CATARRH MEDICINE is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in HALL'S CATARRH MEDICINE is what produces such wonderful results in catarrhal conditions.

Hershey's Superior ICE CREAM. The most welcome dessert and refreshment that can be served for any meal or on any occasion. Not only are the ingredients pure and the best—the very best to be had—but the richness of the cream is retained and—if anything—improved by the REAL fruit which we use for our fruit flavors.

There's a point of interest to epicures. We do not use fruit flavor extracts—but we use the REAL fruit, and we "preserve" all our own fruits, the choicest of the vine and orchard.

Should be served with Your Sunday dinner. Order it at once from your dealer

'PHONE MESSAGE LAST WORD FROM HENRY B. M'LEOD

Father, New York Pastor, Offers \$1,000 For Information of Missing Son

New York, Jan. 11.—The Rev. Dr. Malcolm James MacLeod, pastor of the St. Nicholas Collegiate Church, here, offered a reward of \$1,000 through the New York police department last night for information which would solve the mystery connected with the disappearance of his 19-year-old son, Henry Blackley MacLeod, on the night of June 27. The Army intelligence service has been conducting a country-wide search since the day after the boy dropped out of sight, but the offer through the police is the first public announcement that has been made. Young MacLeod was a freshman at Princeton University when he enlisted in Company M of the Forty-ninth Infantry. He was stationed at Camp Merritt, N. J., early last summer and was expected to start for Camp Upton the following day for a period of intensive training before going abroad. That was the last heard from him.

Newport Church Plans to Celebrate 75th Anniversary

Newport, Pa., Jan. 11.—The Newport Lutheran church is completing its 75th year of existence this week. No important celebration is planned for the event, but arrangements are being outlined for a week's celebration shortly after Easter. The Woman's Missionary Society of the Reformed church has reorganized for the ensuing year with Mrs. Philip Fickes as president. The other officers are: First vice-president, Mrs. Walter Kell; second vice-president, Mrs. Lizzie Fisher; secretary, Mrs. Walter Knight; corresponding secretary, Miss Minnie Deardorff; treasurer, Mrs. John S. Leiby; secretary of literature, Mrs. W. H. Schaefer; thank offering secretary, Mrs. Hannah Bressler; assistant thank offering secretary, Mrs. George Leedy.

Carloads of Mail For Soldiers Undelivered

Washington, Jan. 11.—From eight to ten carloads of mail for American soldiers are undelivered in France. Second Assistant Postmaster General Praeger told the Senate Post Office committee yesterday, and "thousands and probably millions" of letters, addressed to the men overseas, will arrive in New York soon to be sent to the dead letter office, where an attempt will be made to return them to the writers. Blame for the failure to deliver this mail was placed on the War Department by Mr. Praeger, who again explained that the Army authorities handle all soldiers' mail in France. The Post Office Department delivers outgoing mail at Hoboken, and receiving returning mail at the French ports. Mr. Praeger said one way to improve conditions overseas would be to send a force of experienced mail clerks to France to deliver the mail to the soldiers.

\$5,670,000 NEED OF NATION FOR BIG FARM DRIVE

Labor Officials Warn Senate Committee of Danger as Industry Lets Up

Washington, Jan. 11.—Farm Extension work carried on by the Government in co-operation with the states during the war would be made permanent under a bill submitted to Congress to-day by Secretary Houston, who asked for an appropriation of \$5,670,000 to defray the Government's cost of this activity. Expansion of the rural communities is contemplated, the Secretary said.

Through the work of 1,400 agents in 2,400 counties during the last year, the Secretary said, aid in crop and animal production, marketing of products and improving home conditions has been given 1,900,000 farmers, 1,500,000 women and 2,000,000 boys and girls.

Secretary Houston also asked an appropriation of \$162,000 for continuing co-operation with various state agencies in supplying labor to the farmers. He said this work was essential in solving problems that will arise during the period of readjustment.

The possibility of a dangerous situation resulting from unemployment was emphasized by Department of Labor officials, testifying yesterday before the Senate Educational and Labor Committee in its study of labor problems.

William M. Leiserson, chief of the department's labor administration bureau, and other witnesses said unemployment in American industrial centers had steadily increased during the last four or five weeks because of the actual cessation of industry.

"We are likely to have unemployment on the part of men who will not stand for conditions," Mr. Leiserson said.

"Stony" McLinn Appointed Treasurer of the Interstate Trapshooting Association

New York, Jan. 11.—After a meeting held here to-day it was announced that the Interstate Trapshooting Association would be known in the future as the American Trapshooting Association, which will have jurisdiction over all trapshooting tournaments in this country and Canada.

For nearly a quarter of a century all of the principal shoots at live birds and clay targets, including the Grand American Handicap at clay targets, have been organized, managed and governed by the Interstate Trapshooting Association, which, under the management of Elmer E. Shaner, had its headquarters in Pittsburgh.

The American Trapshooting Association has established its headquarters at No. 460 Fourth avenue, this city, and "Stony" McLinn, formerly of this city, has been appointed secretary in place of Mr. Shaner, who retired.

In the future all the Canadian tournaments will be privileged and assisted by contributions from the American Trapshooting Association, which will retain the old tournament policy or registration. The Grand American Handicap at clay targets will take place next August at the South Shore Country Club, Chicago, but none of the subsidiary sectional events will be promoted this year.

"I shall not only vote for such an act, but I shall most vigorously support the same. I am very conscious of the fact that the school teacher is underpaid, and they can always count on my support for anything reasonable."

The association also intends to promote many service contests during the present year, open to Army, Navy and air service officers and men.

WANT CAMP COLT PERMANENT POST

Delegation of Gettysburg Citizens Interview War Department Officials

Gettysburg, Pa., Jan. 11.—A delegation of Gettysburg businessmen and Chamber of Commerce members were introduced yesterday to Secretary of War Baker, and to members of the general staff, at Washington, to whom they set forth reasons for making Camp Colt and the National Park a permanent military post. It was set forth that inasmuch as there are to be a number of new concentration camps to be established, Gettysburg furnishes an ideal site, because of its topography and natural advantages and because of the work already done there in making it a camp for the United States Regulars and for the tank corps.

Another feature impressed on the Washington officials was the fact that the lease on which more than 100 acres of the present campground was obtained stipulates that the ground shall be returned in the same condition as that in which it was found. This has since been piped for water and sewer systems, all of which would have to be removed and the land could be bought for less than the cost of this work.

The delegation reports that the interview appeared to be quite satisfactory. A definite decision is not expected for some time.

Mayor Plans Commission to Look After Art Work

Harrisburg should have a commission, probably consisting of five persons, to arrange for the selection and erection of fountains and statuary in the city parks, is the opinion of Mayor Daniel L. Keister. The chief executive said he is planning to introduce in Council an ordinance creating such an organization and giving it authority to decide upon the design of any new statues or fountains and select the location for these art works.

At present Harrisburg owns a \$25,000 work of art, the gift of M. S. Hershey, the "chocolate king." It is the creation of Donato, a noted sculptor, but, because of Council's delay, Donato's "The Dance of Eternal Spring" still remains hidden away in a dark corner in one of the city's warehouses. Thus not only the residents of the city, but the thousands of persons coming here on business and pleasure visits are deprived of seeing this wonderful work of art.

It was suggested the commission could also aid in deciding upon a suitable memorial for the soldiers from the city who were in Army service and some of whom died in battle overseas.

MINISTERS FAVOR INCREASE IN SALARIES OF TEACHERS

Chambersburg, Pa., Jan. 11.—The Chambersburg Ministerial Association at a special meeting passed a resolution indorsing an increase in salary for the school teachers of Pennsylvania. A resolution indorsing the Armenian-Syrian Relief drive, which begins Sunday, January 12, was also adopted.

Deaths and Funerals

CHARLES LIDDICK DIES

Millerstown, Pa., Jan. 11.—Charles Edward Liddick, 60 years old, of Millerstown, died at his home after an illness of a few days from influenza, aged 60 years. Long employed at the Marshall furnace at Newport, he was later employed by C. A. Rippman Sons tannery. He was a member of the Methodist Church. He is survived by his wife, four sons, James B. Liddick, of Marysville; Charles W. Liddick, American Expeditionary Forces, Harry J. Liddick, Lewistown; Edward R. Liddick, Millerstown; five daughters, Mrs. Annie B. Hartzell, Newport; Mrs. Mary E. Fessler, of Marysville; Mrs. Wilda S. Stahl, of Millerstown; Miss Margaret M. Liddick and Miss Myrtle M. Liddick, of Millerstown. Funeral services were conducted by the Rev. Victor T. Nearhorf, of the Millerstown Methodist Church, and burial was in the Riverside Cemetery.
