British Vessel Sends Out Appeals For Assistance; Propeller Broken

Vladivostok, Jan. 14.—The big British troop ship Protesilaus on Sunday sent out wireless appeals for assistance. The British cruiser Kent hurried to her assistance, and the Brooklyn, of the American Navy, stood ready to leave if further aid is necessary. The Protesilaus broke her propeller. Later reports said that all on board were safe.

First reports said the Protesilaus was limping back to this port. It later was reported the steamer might effect temporary repairs and continue to Japan for permanent repairs.

With a total contingent of 900 officers and men the steamer Teesta has arrived here. She had aboard two companies of Canadian infantry under command of Colonel Swift and a machine gun unit.

Vancouver, B. C., Jan. 14.—The British steamer Protesilaus left Vancouver about December 15 last with troops and mail for Vladivostok. Canadian censorship regulations in effect at that time, however, forbade any mention of the personnel the steamer had on board. It is believed here, however, that the vessel had discharged her troops and was on the return voyage by way of the Orient.

### French Army's Tremendous Loss

3,000,000 soldiers of France, about one-half of her entire army, have been killed or seriously wounded, according to Andre Tardie, French high commissioner to the United States. This enormous sacrifice for liberty is larger than that of any other country. America owes France a huge debt of gratitude, not only for this, but also for the discovery by her peasants of a perfect remedy for stomach, liver and intestinal ailments which is reported to have alleviated incalculable suffering, prevented many surgical operations and saved thousands of lives the world over. Geo. H. Mayr, for many years leading Chicago chemist, imports the ingredients and sells this remedy in America under the name of Mayr's Wonderful Remedy. It is a simple, harmless preparation that removes the curricular mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Geo. A. Gargas, H. C. Kennedy, Clark's Drug Store.

### BABCOCK TO BE GRAND MARSHAL AT INAUGURAL

Pittsburgh's Mayor Named For Honor After Edwin S. Stuart Refuses

Philadelphia, Jan. 14.—Mayor E. V. Babcock, of Pittsburgh, will be grand marshal of the parade pending the inauguration of Governor-elect William C. Sprout, at Harrisburg, next Tuesday.

Announcement of this was made officially today. It has been supposed former Governor Edwin S. Stuart would officiate, but Mr. Stuart pleaded his advanced age and the fact that he has not ridden a horse for years as reasons for his refusal.

Some weeks ago Mr. Sprout said he would ask Brigadier General William G. Price, Jr., to officiate as grand marshal, should the general return from France by inauguration day. When this appeared improbable, he decided upon Mr. Stuart. The latter's refusal led to the selection of Mayor Babcock, who was in the city over the week-end.

Plans for the inauguration, as far as Mr. Sprout is concerned, virtually are complete. It was announced today that the military section of the parade would be made up of a company of marines and a company of sailors from the Philadelphia Navy Yard, accompanied by the Marine band; cadets from the Pennsylvania Military College and from State College, twelve companies of the Pennsylvania Reserve Militia and a detachment of the state police. In addition, two companies of the Philadelphia Home Defense Reserve and a detachment of the Home Defense Reserve of Cumberland county will participate.

With David H. Lane as marshal the Vire forces, decked out in frock coats, silk hats, spurs and walking sticks, and numbering about 600 men from the South Philadelphia wards, will lead the civilian section of the procession. The Vire men have been assiduously drilling and will hold their last two rehearsals this week. Senator Vire declares his followers will stage the finest turnout ever seen at an inaugural for many years.

All of the upstate counties are preparing to send delegations to participate in the parade. Inauguration day will be an event in the life of State Treasurer Harmon M. Kephart, for he will make his debut in a silk hat. Despite all the honors that have come to him in life, Mr. Kephart confesses he has never experienced the sensation of appearing before his fellow men in a "four-quart lid."

Mr. Kephart will lead a delegation of seventy-five men from Fayette county. T. B. Donnelly will march at the head of a delegation from Connelisville.

### Sees Much Fighting With 112th Infantry

"We were in the fighting from July 4 until the war was ended" Joe Rakowsky, serving with the Supply Company, 112th Infantry, writes home to his brother, Joseph Rakowsky, 527 Race street. Landing at Calais, France, Rakowsky was there only three days until he experienced his first air raid. His unit was in the fighting about Chateau-Thierry, the Argonne Forest region and participated in the big St. Mihiel drive on the Metz front.

Last evening several new members were taken in, which rounded out the 100 per cent. At this meeting the attendance was larger than at any previous meeting held by the association. Boyd Harrington and B. F. This committee will report as soon as possible. It was also decided that trucks and tractors will be allowed in this show, but will be kept together at one end of the building, so that people interested in these products will be able to go from one booth to the other and see all that are there without hunting them.
