

"Shop Nights" to Continue at the Central Y.M.C.A.

The new policy of the Central Y. M. C. A., of having open house nights for the men of the various industries of the city is to be continued. The first event of the kind was held last Friday night when the employees of the Harrisburg Pipe and Pipe Fitting Company were the guests of the Y. This is to be followed with an open house for the employees of Swift & Company, on Saturday, January 26, and for the employees of the Central Iron and Steel Company, on Saturday, February 1. Invitations to the men of other industrial and commercial concerns in the city will be extended and it is the plan to have open house every Saturday evening. The men themselves will be privileged to arrange their own program and bring their own talent because in this way they will enjoy the evening more and feel more at home. Robert H. Irons, president of the Central Iron and Steel Company, will appoint a committee from the shops to make arrangements for "Central Iron Night."

National Expert Will Address Civic Bodies on Need for Hospital

Plans for the erection of a hospital for the treatment of communicable diseases will reach a definite stage following the luncheon meeting Monday, January 27, when Dr. John H. Stokes, national expert, will outline Harrisburg's needs and the best methods for establishing and running a suitable hospital. Dr. Stokes has been secured through the efforts of the Harrisburg Chamber of Commerce and the Dauphin County Medical Association.

Included among those who have been invited to attend the meeting, which will be held in the Penn-Harris ballroom, are the mayor and city officials, Rotary and Kiwanis clubs, Dauphin County Medical Society, board of health, county commissioners, Civic Club, Red Cross officials, and clergy of the city.

Dr. Stokes is chief of the section of dermatology, at the Mayo Clinic, Rochester, Minn., and has recently completed a tour of the country, during which he made an investigation of hospitals for the treatment of contagious diseases. He is therefore prepared to point out Harrisburg's needs. His address will be illustrated following his outline of definite plans, the Chamber of Commerce and Medical Society will carefully study them, and then submit them to the city and county officials for consideration and ultimate action.

Tired, Overworked Mothers What You Need is Vinol

War conditions have made the demand upon a mother's time and energy unlimited. In their zeal to do all in their power for their loved ones, they continually overwork and are soon in a nervous, run-down condition. Vinol, the non-secret cod liver and iron tonic, will build you up and make you strong.

HERE IS PROOF

Whitman, Mass. "I suffered from a nervous, run-down condition and loss of strength so it was hard for me to get around and do my work. After other medicines had failed to help me Vinol restored my health and strength and I heartily recommend it to anyone suffering from a nervous, run-down condition."—Mrs. R. M. Little.

Cleveland, Ohio. "I keep house for my husband and myself and got into a weak, run-down condition, no strength, languid and no ambition. After doctoring for weeks and getting no better I tried Vinol and to my surprise it built me up and strengthened my whole system. It is certainly a good tonic."—Mrs. Wm. D. Dawson.

Where Can I Find Relief From Itching, Terrifying Eczema?

This Question is Ever on the Lips of the Afflicted.

Eczema, Tetter, Erysipelas, and other terrifying conditions of the skin, are deep-seated blood diseases, and applications of salves, lotions and washes can only afford temporary relief, without reaching the real seat of the trouble. But just because local treatment has done you no good, there is no reason to despair. You simply have not sought the proper treatment, that is within your reach.

You have the experience of others who have suffered as you have to guide you to a prompt riddance of blood and skin diseases. No matter how terrifying the irritation, no matter how unbearable the itching and burning of the skin, S. S. S. will promptly reach the seat of the trouble and forever root from the blood every trace of the disease. Just as it has for others who have suffered as you have. This grand blood remedy has been used for more than fifty years, and you have only to make a fair trial to be restored to perfect health.

Our chief medical adviser is an authority on blood and skin disorders, and he will take pleasure in giving you such advice as your individual case may need, absolutely without cost. Write to-day, describing your case to medical department, Swift Specific Co., 434 Swift Laboratory, Atlanta, Ga.
