

GERMANS ELECT EICHORN AND HUGO HAASE Former Faces Fifteen Years in Prison; Warrant Out For Arrest

Berlin, Jan. 21.—Former Chief of Police Eichhorn and Hugo Haase, former secretary for foreign affairs in the Ebert cabinet, probably have been elected to the National Assembly. Returns are coming very slowly and the results, even in Berlin, are uncertain.

Berlin newspapers announce that a warrant for the arrest of Eichhorn has been issued. It is said that various charges, proof of which would make him liable to punishment for fifteen years have been issued.

The combined bourgeois parties in the kingdom of Wurttemberg and the province of Hohenzollern, Prussia, elected its delegates to the National Assembly.

Red Cross to Stop Work on Garments For Soldiers

The Harrisburg chapter, American Red Cross, was today ordered to discontinue repairing soldiers' garments as soon as the present quota is completed.

"At the time that the salvage Division of the Quartermaster's Department decided to ask the Red Cross to help them with this work, it was contrary to the judgment of the many depot quartermasters who said it was a kind of work which should be done by skilled labor."

"The results obtained, however, have been extremely satisfactory. The work done was of material assistance in helping to provide clothing for the men at a time when the quartermaster's department was under great pressure because of the rapidity with which the size of our army was increasing."

BRITISH PLAN FOR LEAGUE WOULD LET OUT HUN POWERS

Must First Show Their Trustworthiness, Is Opinion of Lord Robert Cecil—Must Shake Off Military Dominance

Paris, Jan. 21.—Germany, Austria, Bulgaria and Turkey cannot be admitted to the league of nations at the present time, but they should be allowed to join as soon as the league is satisfied that they are entitled to be ranked among the trustworthy nations of the world.

This is the opinion expressed by Lord Robert Cecil, who has just returned over to the printer the British plan for the league of nations which will be submitted to the Peace Congress.

Asked for a definition of "trustworthy," Lord Robert replied that in the case of Germany one criterion would be in the establishment of a government free from military dominance.

As to Turkey it was impossible to make predictions, he said. "We do not know what Turkey will be," explained Lord Robert.

Among the inauguration visitors to-day was Captain Fred A. Godcharles, of General Wood's staff at Fort Funston.

Baby Smith appealed to the public for adoption and so many people wanted her to brighten their household that the officials at the charity organization were unable to handle the mob.
