

Four Pennsylvanians Get Distinguished Service Medals From Pershing

Washington, Jan. 23.—The commander in chief, in the name of the President, has awarded the distinguished service cross to the following named Pennsylvanians, officers and soldiers for the acts of extraordinary heroism described after their names:

Private William L. Multer—Company B, 8th Machine Gun Battalion, United States Marine Corps. For extraordinary heroism in action near St. Etienne, France, October 5, 1918. Private Multer voluntarily went forward for a distance of 800 meters under heavy shell fire and rescued a wounded soldier who had been left there the night before when the advance patrols had been withdrawn. His nearest relative is William Multer, father, 285 College avenue, Washington.

Corporal John Chyko—Company E, 314th Infantry. For extraordinary heroism in action near Moierey, France, November 19, 1918. Taking command of a platoon in the absence of officers and sergeants, Corporal Chyko led a successful assault. With a small detachment of his men he captured several machine gun nests, thereby aided in the advance of his battalion. On the same evening, after establishing listening posts, he patrolled with three men 1 kilometer from the front line, thus establishing security of the battalion position for the night. His nearest relative is Michael Chyko, Beaver Valley.

Sergeant Edward V. Monahan—Company E, 314th Infantry. For extraordinary heroism in action near Moierey, France, November 19, 1918. Wounded in the face by a machine gun bullet, Sergeant Monahan refused to be evacuated, but continued to lead his platoon in a successful attack with the bullet still in his flesh. After securing first aid treatment next morning he learned that his company was advancing again, whereupon he returned and led his platoon in an assault on the Cote de Romagne. His nearest relative is his mother, Mrs. Catherine Monahan, mother, Centralia.

Private Harold P. Rumberger—Company B, 216th Infantry. For extraordinary heroism in action near Bois de Montfaucou, France, September 23, 1918. Failing to reduce a machine gun nest with his rifle, Private Rumberger returned, procured an automatic rifle, attacked the nest the second time, and successfully reduced it. His nearest relative is C. E. Rumberger, father, 21 West Third street, Waynesboro.

Drive the Liquor Habit From Your Home

Can Be Done Secretly

New York.—Physicians and druggists unhesitatingly recommend Tescum powders for the liquor habit in any form. They quickly destroy the craving and make whiskey and other alcoholic beverages repugnant. Druggists will tell you Tescum is selling better than any other remedy for the liquor habit. There is a reason for this. It is because it gives better satisfaction. One physician says: "I can stand in the door of my home and throw a stone into a neighbor's yard to whom I gave Tescum powders for drunkenness and he was completely cured. Have also cured a large number of other patients." A druggist reports "Tescum is having an enormous sale. It gives excellent satisfaction." A lady recently wrote: "I have used Tescum on my husband secretly. He has not taken a drink in three months." Another lady says: "I only wish I had known of Tescum before." Here is another who tried it: "After taking two boxes of Tescum I did not crave liquor." Another writes: "I don't think it's expensive at all. Just think of the thousands of dollars he has spent for whiskey. The few dollars I spent for Tescum has been worth thousands." Here is an extract from another letter: "I sent a box of Tescum to my friend, Mrs. C. M. for her to try on her husband. Hope she will be as successful as I have been. It is wonderful. I will never tell my husband what cured him." And so it goes, one enthusiastic report after another. If you have a relative or a friend who drinks, just try it for a few weeks and not the marvelous change. They will soon complain that drink does not taste the same and in a short time they will stop altogether and never know the reason why.

NOTE—A leading druggist when shown the above article said: "Yes, Tescum is a very remarkable remedy for the drinking habit. It is harmless, wonderfully effective, and is having an enormous sale. I advise everyone who wishes to destroy the liquor habit to give it a trial. You take no risk with Tescum, as it is sold in this city under a steel-bound money refund guarantee by all druggists, including J. Nelson Clark.

**Woman Finds Cure For Sleeplessness**

London, Jan. 23.—A woman writer in a London paper says she has found a cure for sleeplessness. She calls it "ay-zed" because it has to do with the letters of the alphabet. The title may puzzle Americans that are not aware that "ay" is the sound a Cockney gives to the first letter of the alphabet, and that "zed" is how the English pronounce "z." Here is the scheme: "Tonight, say, you are wakeful. Review your friends: How many men or women you have known or do you know, whose Christian name begins with A? I prescribe Christian names, because they are more lovable, and listable, than surnames. You will find that it is like what we are told of drinking—all your life will pass before you in a vision till you sink blissfully beneath the waves of sleep before one letter is disposed of."

**White Sea Coast District Suffers Heavily By Flu**

Archangel, Jan. 23.—The Murman coast, the Kola peninsula and the entire district of the White Sea coast have suffered heavily from the influenza. In the regions of Onega and Kem, the population of entire villages and counties are ill with the disease. Along the shore of the White Sea there are only three or four sanitary or dispensary points and in many cases those are without medicines.
