The Best Cough Syrup Is Home-made. Here's an easy way to save 82, and yet have the best cough remedy you ever tried.

You've probably heard of this home-made remedy for coughs. When you do, you will understand why thousands of families, the workers, feel that they could hardly keep their homes without it. It's simple, cheap, but the way it takes hold, a cough will quickly earn it a permanent place in your home. Into a pint bottle, pour 2 1/2 ounces of Pinex; then add plain granulated sugar syrup to fill up the pint. Or, desired, use clarified molasses, honey or corn syrup, instead of sugar syrup. Either way, it tastes good, new, and gives you a full pint of better cough remedy than you can buy ready-made for three times the cost.

It is really wonderful how quick this home-made remedy cures coughs—usually in 24 hours or less, enough to penetrate through every passage, loosens a dry, hoarse or tickling cough, relieves the membrane, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma. Pinex is a highly concentrated compound of genuine Norway pine extract with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.
