sum Bread

After many years of regular quality, dispite the fact that many breads have been put on the market in Harrisburg, HOLSUM BREAD has gained in popularity. It is a foregone conclusion that people who compare one bread with another will decide in favor of HOLSUM BREAD. Its uniform texture throughout the entire loaf and down to the last crumb is the result of knowing how to make good bread. Therefore, HOLSUM BREAD always satisfies the tastes of old and young---any time, anywhere. It is not wise to experiment with bread for your family; it surely isn't wise to change while HOLSUM BREAD lives up to it's reputation for quality.
