Put Down Second Night Attack in Week, Declares Report

Archangel, Feb. 3.—While they have succeeded in capturing the Shenkursk and Tarevno sectors, the Bolsheviki are still unable to make any impression on the American and allied lines on the Dvina sector near Tulgas. For the second time within a week a night attack by the enemy

there was repulsed by the Americans and the Scotch. The latest attack occurred early Friday. The Bolsheviki stormed the upper Tulgas, but met with severe resistance from the American patrol, who, however, withdrew, giving their artillery a clean sweep of the village. The Americans killed twenty of the Bolsheviki and wounded twenty and also took seven prisoners. The allied patrols on the Tarevno sector moved southward twelve miles without encountering the enemy.

Zemo is a clean, dependable and inexpensive, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.
