The men were arrested by Constable McCoy, of Carlisle, and Charles Herman and Albert Cornman, farmers, who have lost heavily in chickens. A few years ago a gang, alleged to have been similar, was broken up when six men were sent to the penitentiary for varying terms. Recently Judge Sadler announced that all chicken thieves convicted will be sent to the penitentiary. All of the men arrested at this time come from families which have figured in court cases and are from the section of Southampton township where much trouble has been caused for officers. Some of the chickens alleged to have been stolen lately have been found. Officers claim that the men robbed in all sections and often got to their homes by cutting wires at night and stopping trains on the Reading while they jumped aboard with their loot.

Aunt Jane's Advice

"Oh, dear," sighed the young housewife, "I have so much trouble in finding really good butter." "Yes, I know how it is. We always had that difficulty till I discovered Benefit Brand 'Sweet Nut' at Tamsul Tea Co., 231 Market St., up 1 flight, Harrisburg, where Benefit Brand Tea, Coffee and Grocery Specialties are retailed at wholesale prices." "Why, that's a kind of oleomargarine! You wouldn't serve that, would you, Aunt Jane?" "You seemed to like it the day you lunched at my house," said Aunt Jane with a smile in her eye. "Why, yes, it was delicious! You don't need to tell me that was your 'Sweet Nut'!" "It certainly was—it's better than most butter and it costs only 35c a pound. Of course they put the name oleomargarine on the package, but that law was passed before 'Sweet Nut' was invented, and there is no animal fat in it." Look for our store in your town.

Shell's Schleisner Store 28-30-32 North Third Street Youthful Notes In The New Spring Suits Are Distinguishing Features at Schleisner's THERE is no gainsaying the fact that every woman likes to look youthful. That is woman's prerogative. And there surely is no question in one's mind that the suit has much to do with personal attractiveness. It is quite a study to arrive at the design which best meets one's individual requirements. That task is left to the foremost fashion creators, many in Paris, many right here in America. Very often we suggest details which are of prime importance to the makers with whom we have relations, and these suggestions find their way into the fashions we present, little originalities and inspirations emanating from our close study of the styles. You never need hesitate to buy a Schleisner suit. You will find the style dignified, beautiful and practical—and so far in advance that it will give you service for more than one year. In fact there are no outlandish models in our lines, because such modes are really passing thoughts and have no permanent attachment for the woman and miss who dress well. COMBINED 10th Anniversary And February Furniture Sale Double reductions on nearly everything in our store. A wonderful opportunity for Home Furnishers to provide their needs in our lines at extraordinary low prices. Just ten years ago this store was opened in a very modest way and in rather limited quarters. A fixed policy of square, honest business methods has built the business up gradually until at the present time it is one of the largest, if not the largest, and most complete Furniture and Home Furnishing establishment in Harrisburg, utilizing 19,000 sq. ft. of floor space to show our goods. This being our 10th Anniversary we felt the necessity of doing something in the shape of celebrating a successful business. The event coming at the same time as our Annual February Furniture Sale complicated matters somewhat for us. We hardly felt ourselves able to afford two reduction sales owing to our unalterable rule of adhering strictly to every representation made in connection with our business. We finally decided to apply an extraordinary large reduction on all our goods during the entire month of February and call it our 10th Anniversary and February Furniture Sale. This reduction will place our vast stock of Furniture, Rugs, etc., before the people this month at prices that it is fair to say will not be equalled in other stores in the city. It will pay you to anticipate your needs early in the sale. BROWN & CO. 1215-1217 1219 N. Third St. THE BIG UP-TOWN HOME FURNISHERS
